Summary

Attached sets forth summary of investigation conducted 7/28/72, of burglary of Democratic National Committee Headquarters.

(1) Reinterview of Maurice Stans produced the following:

George Gordon Liddy received authorization for intelligence gathering operation prior to Stans joining Finance Committee to Re-elect the President. Stans received Dahlberg check and within minutes handed same to Hugh Walter Sloan, Jr., in view of April 6 law. Stans knew of only one disbursement of cash to Liddy. Sloan came to him after Liddy requested \$30,000 from Sloan. Stans referred Sloan to Jeb Magruder. Sloan advised prior to 4/6/72, \$350,000 in cash on hand. Additional like amount added after 4/6/72; the latter amount included Dahlberg and Mexican checks which were eventually deposited as cash on hand around 5/30/72. Stans acknowledged aware of Sloan's possible resignation soon after he (Stans) entered on duty from third party.

Stans claimed he had not given instructions to Texas Committee to Re-elect the President (CRP) to refer any inquiries regarding anything to him (Stans). Stans indicated Mexican checks possibly received by Mexican attorney Manuel Ogarrio from third party possible state CRP contributor. Stans would not elaborate until afforded opportunity to discuss with counsel. At this point, Stans served with subpoena requiring his presence before Federal Grand Jury (FGJ), 8/1/72.

(2) Frank Anthony Fiorini released on bond, 7/28/72.

(3) Alfred Carleton Baldwin, III, testified before FGJ, 7/28/72.

(4) Special session of grand jury set for 7/31/72, to hear Sloan.

Intensive investigation continuing.

SAYING HE IS NOT GOING TO ANSWER THAT TYPE QUESTION. POINTING OUT THAT DONORS WERE ADVISED THAT THEIR IDENTITIES WOULD REMAIN ANONYMOUS AND HE COULD NOT DIVULGE THAT TYPE INFO, HE SAID SUCH INFO WOULD HAVE TO BE FURNISHED BY MR. STAMS OR HIS COMMITTEE. EMMETT E. ~~X~~MOORE, TREASURER, TEXAS FINANCE COMMITTEE TO RE-ELECT THE PRESIDENT, HOUSTON, ADVISED AS FOLLOWS TODAY:

ON OR ABOUT APRIL SEVEN LAST, ^{17/15}MOORE WAS CONTACTED BY ROY WINCHESTER AND BILL LIEDTKE, BOTH EMPLOYEES OF PENNZOIL, HOUSTON, TO DETERMINE IF HE WOULD BECOME TREASURER OF THE TEXAS FINANCE COMMITTEE TO RE-ELECT THE PRESIDENT WHICH WAS THEN ONLY IN THE TALKING STAGES OF BEING FORMED. AT THAT TIME, WINCHESTER WAS AND STILL IS A REGIONAL COORDINATOR OF THE NAT'L FINANCE COMMITTEE TO RE-ELECT THE PRESIDENT. OF ASSOCIATION" AND REGISTRATION STATEMENT, PROVIDED FOR UNDER THE FEDERAL DISCLOSURE ACT, WERE DRAWN UP. THOSE PAPERS WERE SUBSEQUENTLY DELIVERED TO THE OFFICE OF THE COMPTROLLER GENERAL OF THE U.S. ON EITHER JUNE TWO OR THREE LAST.

SINCE MAY THIRTY OR THIRTYONE LAST, MOORE HAS SERVED AS TREASURER OF THE TEXAS FINANCE COMMITTEE AND THE ONLY OTHER OFFICER IS ROBERT H. ~~ALLEN~~, CHAIRMAN, WHO HAS SERVED IN THAT CAPACITY SINCE SOMETIME IN MID OR LATE MAY LAST. THE PURPOSE OF THE COMMITTEE IS STRICTLY TO RAISE FUNDS FOR RE-ELECTION OF THE PRESIDENT AND ANY SUCH FUNDS CONTRIBUTED TO THE TEXAS FINANCE COMMITTEE ARE TRANSMITTED DIRECTLY TO THE NATIONAL FINANCE COMMITTEE WITHOUT ANY DISBURSEMENTS BEING MADE BY THE TEXAS FINANCE COMMITTEE.

T. J. [signature]

MOORE WROTE THE LETTER TO THE COMPTROLLER GENERAL OF THE U.S., MENTIONED IN RE WFO TEL, STATING NO DISCLOSURE STATEMENT WOULD BE FILED BECAUSE TO HIS KNOWLEDGE NO FUNDS WERE AT ANY TIME RECEIVED NOR EXPENDED BY THE TEXAS FINANCE COMMITTEE PRIOR TO MAY THIRTY ONE SEVENTY TWO. PRIOR TO THAT DATE, COULD HAVE DONE SO DIRECTLY TO THE NATIONAL OFFICE OR TO ONE OF THE VARIOUS NAT'L REGIONAL COORDINATORS SUCH AS ROY WINCHESTER. MOORE, HOWEVER, HAS NO KNOWLEDGE OF SUCH CONTRIBUTIONS WHICH MAY HAVE BEEN MADE DIRECTLY TO THE NAT'L FINANCE COMMITTEE. SPECIFICALLY, MOORE ADVISED THAT HE KNEW OF NO FUNDS TRANSMITTED BY ROY WINCHESTER TO THE NAT'L FINANCE COMMITTEE. HE POINTED OUT, HOWEVER, THAT AS TREASURER OF THE TEXAS FINANCE COMMITTEE, HE WOULD NOT NECESSARILY BE AWARE OF ANY FUNDS TRANSMITTED FROM THE TEXAS AREA DIRECTLY TO THE NAT'L FINANCE COMMITTEE. MOORE FURTHER ADVISED THAT HE DID NOT KNOW MANUEL OGARRIO, HAD NEVER HEARD OF HIM, AND KNEW NOTHING OF THE ONE-HUNDRED THOUSAND DOLLAR CHECK ALLEGEDLY DELIVERED TO OGARRIO, THE SOURCE OF SUCH FUNDS, NOR OF THE FOUR MEXICAN CHECKS IN THE AMOUNT OF EIGHT- NINE THOUSAND DOLLARS WHICH ALLEGEDLY WERE PART OF THE CHECKS DELIVERED BY WINCHESTER TO THE NAT'L FINANCE COMMITTEE IN APRIL LAST. This memorandum is for the purpose of furnishing information concerning the identity of those who subpoenaed telephone records of Bernard L. Barker or had access to them.

On 6/21/72, a subpoena was issued in U. S. District Court, Miami, Florida, for the toll records of Barker's residence and his business, Barker Associates. These toll records were set forth in the Miami report dated 6/28/72, which was disseminated to Assistant Attorney General Henry Petersen, Criminal Division, and to the U. S. Attorney's office, Washington, D. C., for use in connection with Federal grand jury hearings. In addition, the toll records have been used by Miami and Washington Field Office for lead purposes in our investigation. The toll records revealed

Miami has advised that about 7/20/72 information was received from [REDACTED] that Richard Gerstein, States Attorney, Miami, subpoenaed Barker's toll records. He also previously subpoenaed records of Barker's bank account. Reportedly these records were obtained by Gerstein for review in connection with a "vague allegation" that there was a conspiracy in Dade County, Florida.

B7D

Miami advised Gerstein has the reputation of being a very ambitious Democratic politician. It is possible he subpoenaed these records at the request of some member of the Democratic Party and is the source of information in the news media regarding the calls between Barker and the Committee to Reelect the President.

Second Nixon Aide Tied to 'Bug' Case

At least 15 long-distance Democratic headquarters. Be-

placed from telephones in the
Miami home and office of
Bernard L. Barker, one of the
five men arrested here in the

Records of the telephone
calls, which have been subpoe-

they were made between
March 15 and June 16—the
day before the break-in.

Most were placed to a num-
ber in offices assigned to G.
Gordon Liddy, a former White
House aide who last month
was quietly dismissed from
his high post within the Nixon
campaign organization.

Liddy, according to a vari-
ety of sources, was fired on
June 28 as financial counsel to
the Nixon organization. He
was dismissed by John N.
Mitchell — an chairman of
the President's re-election
campaign — for refusing to

Attached reports 15 long distance telephone calls from subject Barker's home and business telephone in Miami to the Office of the Committee to Re-elect the President. It is believed by Washington Field and the Miami Office that the source of this information is Miami State Attorney Dick Gerstein, who is a Democrat who operates strictly as a politician and it is suspected he obtained the toll call records of Barker as well as the records of Barker's bank account at the request of some member of the Democratic Party.

Attached sets forth investigation conducted 7/21/72, of burglary of Democratic Party National Headquarters.

(1) Jeb Magruder, Deputy Campaign Director, Committee to Re-elect the President (CRP), advised he hired George Gordon Liddy as counsel for CRP and authorized Hugh Walter Sloan, Jr., to give Liddy up to \$250,000 to handle problems of surrogate candidates and convention sites. He specifically instructed Liddy not to embarrass CRP or violate the law.

(2) Fred C. LaRue, Special Consultant to Campaign Manager, admits hiring Baldwin based on resume from James W. McCord. He said he received instructions on hiring people, especially guards, from either Mr. or Mrs. John Mitchell. LaRue said Robert Mardian wrote memorandum to Maurice Stans that Liddy should be dismissed for failure to cooperate with FBI. LaRue terminated Liddy when Liddy refused to resign. LaRue said Liddy was general counsel to CRP, also legal counsel to the Finance Committee, and was a sometime head of an intelligence group.

LaRue called Sloan on 7/6/72, requesting him to travel to California and said he next saw Sloan on day he resigned. Washington Field Office notes this was same day when Maurice Stans advised Bureau Agents Sloan's whereabouts were unknown.

(3) Kenneth W. Parkinson and Paul O'Brien, attorneys for CRP, claim attorney client privilege and efforts to interview negative.

(4) John Ehrlichman, on 7/21/72, admitted meeting Hunt and Liddy on one occasion and said they worked on leak program at one time. He denied knowledge of any illegal activity at the Committee.

(6) Sloan will appear U.S. District Court, Monday, 7/24/72, for debriefing.

(7) Liddy excused from grand jury until 7/25/72, when handwriting and major case prints will be obtained.

KENNETH H. DAHLBERG was interviewed at his place of business, Dahlberg Electronics, Incorporated, 7731 Country Club Drive, Golden Valley, Minnesota, on July 6, 1972. Mr. DAHLBERG agreed to have the interview reduced to a signed statement which he would sign on July 7, 1972.

On July 7, 1972, Mr. DAHLBERG was telephonically contacted at his office by Special Agent DONALD W. PETERSON for the purpose of ascertaining if there were any witnesses when he turned the cashier's check over to MAURICE H. STANS.

Mr. DAHLBERG advised that on April 11, 1972, he attended a meeting of the State Chairmen of the Finance Committee to Re-Elect the President, which was held in Washington, D.C. During a recess of this meeting, he endorsed the \$25,000 cashier's check and turned it over to MAURICE H. STANS. He said there were other individuals in the room at the time he gave this check to Mr. STANS but had no recollection who might have observed this transaction.

Subsequently on July 7, 1972, Mr. DAHLBERG furnished the following signed statement:

"July 7, 1972
"Golden Valley, Minnesota

"I, KENNETH H. DAHLBERG, after having executed Form FD-305 entitled "Your Rights" on July 6, 1972, make the following free and voluntary statement to FRANCIS R. GRADY and DONALD W. PETERSON, who have identified themselves to me as Special Agents of the Federal Bureau of Investigation.

"I am fifty-five years old, having been born June 30, 1917, at St. Paul, Minnesota. I am Chairman of the Board of Dahlberg Electronics, Inc., 7731 Country Club Drive, Golden Valley, Minnesota. I am also Regional Chairman of the Finance Committee to Re-Elect the President. As Regional Chairman I have the fund-raising

responsibilities for seven upper midwest states, including Minnesota, North Dakota, South Dakota, Iowa, Wisconsin, Kansas and Nebraska. The Finance Committee to Re-Elect the President is a subsidiary to the Committee to Re-Elect the President, which committee is political in nature, whereas the finance committee is fund raising.

"I maintain a residence in Wayzata, Minnesota, and a winter home in Boca Raton, Florida. On April 10, 1972, and for a considerable time before this date I was in Boca Raton, Florida. While in Boca Raton, Florida, I was engaged in raising funds to re-elect the President. I had accumulated a large amount of cash as a result of my fund raising activities and not wanting to travel to Washington, D.C. with such a large amount of cash, I obtained a Cashiers Check in the amount of \$25,000.00. This check was obtained at the First Bank and Trust Company, Boca Raton, Florida. The check was made payable to myself, and to the best of my recollection it was dated April 10, 1972. I have no account at the First Bank and Trust Company and my only reason for obtaining the Cashiers Check at this bank is that it is close to my residence.

"On April 10, 1972, I flew from Boca Raton, Florida, to Washington, D.C. and on the following morning, I attended a meeting of the State Chairmen of the Finance Committee to Re-Elect the President which was held at the Washington Hilton Hotel, Washington, D.C. During a recess of this meeting I endorsed the Cashiers Check in the amount of \$25,000.00 and turned it over to MAURICE H. STANS, who is chairman of this finance committee. There were other individuals in the room at the time I gave this check to Mr. STANS, but I have no recollection of who might have observed this transaction. I did not obtain a receipt for this check.

(3)
MP 139-98

"I have no knowledge whatsoever what happened to this Cashiers Check after I turned it over to STANS. I do not know how this check got into the possession of BERNARD BARKER since this man is unknown to me.

"I have no knowledge concerning the burglary of the Democratic National Headquarters in Washington, D.C., and I wish to emphatically state that I had nothing whatsoever to do with this matter. In national magazines I have seen the names and photographs of the men reported to have been involved in the burglary and none of these men are known to me.

"I have read this statement of this and two other typewritten pages and it is true & correct.

"/s/ K. DAHLBERG

"Witnesses:

"FRANCIS R. GRADY, Special Agent, FBI, Mpls., Minn.

"DONALD W. PETERSON, Special Agent, FBI, Mpls., Minn."

The following description of DAHLBERG was obtained by observation and public records:

Further investigation determined AVILES had moved from Gainesville, June 20, 1972, and furnished a forwarding address as 9970 North Kendall Drive, Apartment 3, Miami, Florida.

AVILES is described as white male, born July 16, 1941, in Havana, Cuba; 5'4" in height, 140 pounds, brown hair and eyes; alien registration number A-12091389; mother, MARGARITA AVILAS, 2412 Northwest Fourth Street, Miami, Florida, as of 1967. Her employment was indicated as school teacher.

A review of the 1971 City Directory for Tallahassee, Florida, indicates the telephone number 244-2171 is listed to the Florida Secretary of State Office, Telephone number 222-7920 when dialed was answered "Republican Party of Florida." Information operator furnished the number of the Republican Party of Florida as 222-7920.

On July 10, 1972, Officer GLEN BEACH, Quincy, Florida, Police Department, advised a contact with a source at the Quincy Telephone Company resulted in information that number 856-3921 was a nonexistent number in Gretna, Florida. 856 is the Gretna exchange; however, there are no numbers in the 3000 series.

On July 10, 1972, Mrs. J. W. THOMPSON, Post Mistress, Gretna, Florida, advised that the name of EDGAR SOPO was unknown to her and to her knowledge no one by that name is or has received any mail through the Gretna Post Office.

DETAILS

I. INVESTIGATION REGARDING GEORGE GORDON LIDDY, ALIAS
GEORGE F. LEONARD, 1601 WASHINGTON AVENUE, KANSAS
CITY, KANSAS.

A previous report in this matter reflected information that an individual using the name of GEORGE F. LEONARD, 1601 Washington Avenue, Kansas City, Kansas, may have been involved as a co-conspirator with five subjects arrested June 17, 1972, while in the process of burglarizing the National Headquarters of the Democratic National Committee. It was also previously reported that 1601 Washington Avenue, Kansas City, Kansas, was a fictitious address and efforts by Kansas City Division to locate GEORGE F. LEONARD met with negative results.

Based on information developed by the Miami Division of the FBI that the name GEORGE F. LEONARD was an alias used by one GEORGE GORDON LIDDY the following additional investigation was conducted by the Kansas City Division.

It is noted that although 1601 Washington Avenue is a fictitious address, there is a 1601 Washington Blvd. in Kansas City, Kansas. This location is housed by the Solar Apartment building.

The following investigation was conducted by SA LEONE J. FLOSI, on June 30, 1972:

Mr. FRED EARNHARDT, Proprietor, Solar Apartments, 1601 Washington Blvd., Kansas City, Kansas, advised that he does not now have nor has he ever had in the past any individual residing in his apartments with the name of GEORGE GORDON LIDDY. Mr. EARNHARDT further stated that he owns 45 apartment units in the immediate area of 1601 Washington Blvd. and has never had anyone with the name LIDDY as an occupant in any of these apartments.

II. INVESTIGATION CONCERNING A 25 CALIBER COLT AUTOMATIC SERIAL NUMBER 321-803 PROPERTY OF EVERETT HOWARD HUNT.

The following investigation was conducted by SA ROY L. HUMPHREYS at St. Joseph, Missouri:

The following investigation was conducted by SA LARRY D. WELCH at Newton, Kansas:

On July 10, 1972, Mrs. MERLE OLIVER, 220 West 8th Street, Newton, Kansas, widow of MERLE OLIVER, and BRADFORD WELLS, 1407 Hillcrest, nephew of MERLE OLIVER, advised that the Oliver-Holbert Company of Newton, Kansas, was owned by MERLE OLIVER and HERBERT SYDNEY HOLBERT. However, the company terminated business in 1930. MERLE OLIVER died of natural causes August 9, 1944, and HERBERT SYDNEY HOLBERT committed suicide on April 27, 1937. Above individuals have no idea regarding the whereabouts of any records maintained by the Oliver-Holbert Hardware Company.

Synopsis:

ROBERT L. HOUSTON, Security Officer, Committee to Re-Elect the President (CTRP), identified ALFRED CARLETON BALDWIN, III, as a security guard for Mrs. MARTHA MITCHELL. Only record available at CTRP showing BALDWIN's connection with CTRP is a travel voucher by BALDWIN dated 5/10/72. STEPHEN TINGLEY ANDERSON, Security Guard, CTRP, identified EVERETTE HOWARD HUNT as person he had met ten years ago in Mexico when ANDERSON's father was assigned to U.S. Embassy, Mexico City, Mexico. He advises MC CORD left CTRP at 6:30 p.m., 6/16/72. MILICENT PENNY GIEASON, Security Officer, CTRP, furnished extensive information concerning activities of various members of CTRP prior to and subsequent to burglary of Democratic National Committee Headquarters. Telephone number 347-0355 traced from personal telephone book of subject MARTINEZ to KATHLEEN CHNOW, former White House Secretary, Room 16, Executive Office Building (EOB), office of DAVID YOUNG. CHNOW states telephone installed as answering service for HUNT at EOB; denies knowing other subjects. DAVID YOUNG, Special Staff Assistant, National Security Council, states telephone installed at request of HUNT; denies any knowledge of HUNT's involvement in Watergate burglary. JOHN DEAN, Counsel to the President and FRED FIELDING, DEAN's assistant, turned over to Bureau Agents two cartons of items

Date of transcription 6/26/72

~~CONFIDENTIAL~~

Mr. MICHAEL G. ALEXANDER, Deputy United States Marshal, temporarily assigned, Washington, D. C., United States Marshal Service, voluntarily appeared at the Federal Bureau of Investigation (FBI), Washington Field Office (WFO), at which time PAUL P. MAGALLANES and JOHN W. MINDERMAN identified themselves as Special Agents of the FBI. Mr. ALEXANDER was advised that the nature of the interview concerned his relationship, if any, with JAMES MC CORD. Mr. ALEXANDER furnished the following information:

Mr. ALEXANDER viewed the following six black and white photographs: FRANCIS XAVIER DOLAN, SR.; VIRGILIO R. GONZALES; BERNARD BARKER; JAMES W. MC CORD; EUGENIO R. MARTINEZ; and FRANK STURGIS.

Mr. ALEXANDER could not identify any of the above photographs as being identical with JAMES MC CORD. Mr. ALEXANDER stated, however, that an individual who identified himself as Mr. JAMES MC CORD had telephoned him on about three occasions, approximately December, 1971, and February and March, 1972, in order to ascertain whether Mr. ALEXANDER was interested in employment with the firm Mc Cord Associates, Rockville, Maryland.

Mr. ALEXANDER advised he had, prior to retiring from the United States Army, submitted resumes with the Department of Army for purposes of employment after he retired from service. He stated the Army has a project, Project Referral, which attempts to place retired Army personnel in positions relating to security and to law enforcement.

Mr. ALEXANDER stated that MC CORD, in his telephone conversations, had attempted to persuade Mr. ALEXANDER to join his firm and said that the position would be in the security field. When Mr. ALEXANDER attempted to pinpoint Mr. MC CORD as to specific duties of the position, MC CORD stated he would rather talk to him in person at his Rockville Office and would

not discuss the security position over the telephone. Upon learning that Mr. ALEXANDER would probably find employment with the United States Marshal Service in Baltimore, Maryland, Mr. MC CORD stated that he would pay Mr. ALEXANDER more money than the United States Marshal Service offered Mr. ALEXANDER. Mr. ALEXANDER, however, stated that he had no desire to commute from Baltimore to Washington, D. C. on a daily basis. At this point Mr. MC CORD stated that there was a possibility that Mr. ALEXANDER could obtain employment in Baltimore, Maryland in a position which would relate to railroad security. Mr. MC CORD indicated, however, that he would need to personally talk with Mr. ALEXANDER at his Rockville office of employment. Mr. ALEXANDER stated that he had subsequently made an appointment to discuss employment with Mr. MC CORD but that he never kept the appointment, inasmuch as the United States Marshal Service hired him prior to the date of the appointment.

Mr. ALEXANDER stated that Mr. MC CORD had said that he had employed other men for his firm through the Army project referred to above. Mr. MC CORD also indicated that he had contacts at the Pentagon, Arlington, Virginia and that he received all of the names of the military retirees in the Washington, D. C. area.

Mr. ALEXANDER stated he never made Mr. MC CORD's acquaintance and that insofar as he is aware all of his telephone conversations were with a male who identified himself as being JAMES MC CORD of Mc Cord Associates, Rockville, Maryland.

 LOUIS RUSSELL was interviewed by Special Agents of the FBI who identified themselves as agents of the FBI and advised RUSSELL of the nature of the interview. He supplied the following information:

He does not recall ever receiving a phone call on April 25, 1972 from McCord Associates to the phone number 234-9746 which is the pay telephone located in the hall of the rooming house where he resides. He advised that he does know JAMES MCCORD of McCord Associates and that he is employed by JAMES MCCORD. He stated that the phone call could have been taken by any of the tenants living in the rooming house formerly owned by Mrs. KATHERINE M. ROBINSON, who died around February, 1972. The house is now owned by her niece and the rooming house houses several Spanish speaking persons as well as Iranians.

He first met JAMES MCCORD in January or February of 1972 at Scholls Restaurant in Washington, D.C. at which time MCCORD asked him to work for him as an investigator for the National Committee to Re-Elect the President. He stated that MCCORD said that he was recommended to him by someone, whose name he did not disclose. RUSSELL advised that this is probably correct as he has done investigative work in and around Washington, D.C. for some time. He said his first job was to do a background check on a female, name "JANE" (Last Name Unknown) who was in the employ of the National Committee to Re-Elect the President. He said for that job he received \$40.00 paid by check in advance by MCCORD. His next job was a background check on a male "Hippie" who was a messenger for The National Committee to Re-Elect the President and for this job he received \$25.00. He advised he was also asked to check out a magazine by the title of "The Sociables", and a woman by the name of RITA GERIN. He gave written reports to MCCORD on all the above cases.

On June 1, 1972, MCCORD put him on retainer of \$710.00 per month to continue until the Presidential Election was over with the purpose of investigating JACK ANDERSON to determine the source of ANDERSON'S information. He furnished MCCORD with one report on ANDERSON for which he received \$75.00. He stated that he worked this case solely during the month of June but that now that the "Democratic Committee Bugging Incident Occured", he does not know if he will still be employed by MCCORD. He advised that he also worked for MCCORD as a Security Guard at 1701 Pennsylvania Avenue, Northwest, Washington, D.C., 2nd Floor, for about two weeks prior to being put on retainer by MCCORD. He said that it was his understanding he was employed by The National Committee to Re-Elect the President and was hired by JAMES MCCORD. His checks were drawn on the Maryland National Bank on the account of Mr. and Mrs. JAMES MCCORD or McCord Associates. He couldn't remember which.

He said that he saw JAMES and Mrs. MCCORD last night at their home, but that they did not discuss the break in of the Democratic National Headquarters nor did MCCORD give him any information as to RUSSELLS current employment status with The National Committee to Re-Elect the President. As far as the ANDERSON investigation was concerned RUSSELL stated that he was never told what person or persons in The National Committee to Re-Elect the President was interested or requested the ANDERSON investigation.

RUSSELL advised that his background concerning investigative work started in 1937 when he was a Special Agent for the Federal Bureau of Investigation. He was employed by the Federal Bureau of Investigation from June, 1937 until 1944, when he left the Federal Bureau of Investigation, because of personal reasons; ie, first wife committing suicide and his becoming a heavy drinker. He stated that most of his work in the Federal Bureau of

From 1945 until 1954 he worked as an investigator for the House Committee on UnAmerican Activities and was fired in 1954 for drinking, but was reinstated in 1957 by FRANCIS B. WALTER. He stayed with the House Committee on UnAmerican Activities until 1967. Since that time he has worked varied jobs but mainly doing investigations and background checks for clients. He admitted that at one time he was an alcoholic and a member of Alcoholics Anonymous. He ran a home for Alcoholics Anonymous for a year (February 1969-1970) at 401 East Hume Street, Alexandria, Virginia. JUSTIN M. JAMES, JR., President, Bell and Howell (B & H) Communications Company, 186 Third Avenue, Waltham, Massachusetts, advised that FRANK JAMESON, Vice President, Special Operations, B & H, is presently out of town on a business trip and is expected to return on June 30, 1972.

JAMES advised he would attempt to answer questions concerning the captioned matter through his conversations with JAMESON.

JAMES said that JAMESON gave a technical demonstration regarding the R-F Alarm System (i.e. this is a security type of an alarm system comparable to the type used for security of the Federal Bureau of Investigation offices). JAMES indicated this alarm system may be modified to suit the needs of the individual using organization.

JAMES stated he believed that WILLIAM MC CUIN, 350 Strathmore Road, Havertown, Pennsylvania, made arrangements for the aforementioned demonstration with U. S. Secret Service officials unknown to JAMES.

JAMES advised that JAMESON did not specifically travel to Washington, D. C. for the said demonstration. JAMES said the demonstration apparently was on November 30, 1971, since this was the date reflected on JAMESON's secretary's schedule calendar. JAMES indicated that JAMESON related to him that the said demonstration lasted approximately one and one-half hours, and there were about fifteen to twenty people present during this period; however, this group of people varied because individuals would come in, stand a few minutes and leave again. JAMES advised he does not believe that JAMESON was

acquainted with any of the people present at the aforementioned demonstration, with the exception of MC CUIN, B & H representative, and ALBERT WONG, of the U. S. Secret Service.

JAMES said, according to JAMESON, ALBERT WONG was accompanied by several other individuals. JAMES related that JAMESON indicated to him that one of the individuals with WONG asked numerous questions about the alarm system, but JAMESON did not know this individual's identity. JAMES said, subsequent to the demonstration, JAMESON inquired about the identity of the individual asking questions because he was annoyed at the nature of the questions. JAMES said apparently JAMESON learned the identity of the individual might be JAMES W. MC CORD; however, JAMESON related to JAMES that he was not sure if this information was correct since his source of information was an unknown individual present at this demonstration.

JAMES stated that JAMESON subsequently attempted to contact the individual described to him as MC CORD, by addressing a letter to the United States Secret Service, 1800 G Street, Washington, D. C., assuming MC CORD was affiliated with the Secret Service since apparently he was present at the aforementioned demonstration. JAMES said he believed JAMESON was trying to pursue the sales of the R-F Alarm System and this is the reason he attempted to correspond with MC CORD, the individual identified to him as making the inquiries concerning the alarm system at the sales demonstration. JAMES, according to information he received from JAMESON, stated that no reply had been received to JAMESON's letter.

JAMES advised JAMESON related that he subsequently was told that MC CORD was not present at the said sales demonstration. JAMESON told JAMES that he was unable to determine if MC CORD was present at the sales demonstration.

~~CONFIDENTIAL~~

JAMES said he believes that MC CUIN would be able to resolve all questions on the aforementioned demonstration since he arranged same.

JAMES stated MC CUIN, apparently as a follow-up to the letter by JAMESON, in order to pursue the sales of the R-F Alarm System, learned of the address of MC CORD through associates in Washington, D. C.

JAMES advised that the aforementioned sales demonstration had absolutely nothing to do with equipment subsequently purchased by MC CORD Associates, Incorporated, 414 Hungerford Plaza, Suite 220, Rockville, Maryland.

JAMES further advised the only equipment purchased by Mc Cord Associates, Incorporated, was reflected in Purchase Order Number 1326, dated April 24, 1972, and a copy of this Purchase Order has been previously furnished to the Federal Bureau of Investigation, (FBI). JAMES reiterated that Purchase Order 1389, dated May 25, 1972 to McCord Associates, Incorporated, had not been filled by Bell and Howell.

JAMES, during the course of the interview, was telephonically contacted by JAMESON and JAMESON advised the following regarding this matter:

JAMESON stated he was not acquainted with anyone at the aforementioned sales demonstration of the R-F Alarm System. JAMESON said the only individuals known to him that were present were WILLIAM MC CUIN, B & H representative, and AL WONG, affiliated with the U. S. Secret Service.

JAMESON indicated that approximately fifteen people were present at this demonstration that lasted about one and one-half hours; how-

ever, the majority of the people present would come in, stand a few minutes and leave again. JAMESON said he believed most of the people present during the sales demonstration were affiliated with the U. S. Secret Service or Federal Protection Service (FPS).

JAMESON stated that he believed electrical equipment furnished to MC CORD Associates, Incorporated, as reflected in Purchase Order Number 1326, dated April 24, 1972, was ordered through WILLIAM MC CUIN. JAMESON said also that Purchase Order Number 1389 dated May 25, 1972 was likewise ordered through MC CUIN; however, JAMESON added that Purchase Order 1389 was not filled by B & H.

JAMES, subsequent to the interview, made available a Xerox copy of the letter from FRANK J. JAMESON addressed to JAMES MC CORD, U. S. Secret Service, 1800 G Street, Washington, D. C., dated January 27, 1972. JAMES advised he will continue to be of assistance to the FBI.

A. ROBERT CHERIN, Secretary-Treasurer, Enloe, Stalvey and Associates, Incorporated, 1140 Connecticut Avenue, N.W., was interviewed at his place of employment and provided the following information:

CHERIN advised that in April and early May of 1972, he was in the process of looking for a new job and had contacted the Ex-Agents Society in both Washington, D.C., and New York City, New York. Sometime during the first week in May, 1972, he was telephonically contacted by a JAMES W. MC CORD who advised that he was working for the Committee to Re-elect the President and that he had obtained CHERIN's name from the Ex-Agents Society. MC CORD stated that he had a job opening as a Security Officer and asked CHERIN if he would be interested. CHERIN stated that he might be and they agreed to meet for lunch a few days later.

Two or three days following the telephone conversation, CHERIN met MC CORD in MC CORD's office at the Committee to Re-elect the President, 1701 Pennsylvania Avenue, N.W. They talked briefly and then went out to lunch. At this time, MC CORD stated that the security position involved being in charge of the security for Mrs. MARTHA MITCHELL and included traveling with Mrs. MITCHELL and making the security arrangements as they traveled from place to place. MC CORD advised that the salary for this position would be roughly in the \$17,000 to \$20,000 per year range. MC CORD further stated that the job would only be good through the Presidential election in November, 1972, however, this particular position would be a good start for someone interested in higher Government positions.

The total conversation lasted approximately 45 minutes, after which, MC CORD stated that if CHERIN was interested in the position he would need several additional interviews with some of MC CORD's superiors. At this point, CHERIN stated that he was not interested in the position. The interview was then terminated and CHERIN has not seen MC CORD or heard from him since that time.

On June 19, 1972, Mr. BRUCE KEHRLI requested that they use room 333, EOB and that Mr. ROTCHFORD was to meet Mr. KEHRLI at that office. Upon doing so, Mr. KEHRLI entered this office with another man and they requested that one cardboard box and one two drawer safe file be moved from that office to a storage room on fifth floor of the EOB. Mr. ROTCHFORD made arrangements with General Services Administration (GSA) employees to move the aforementioned to room 522 of the EOB. Upon doing so, the door to room 522 was locked; later that day Mr. KEHRLI requested that the safe that was moved to room 522 be opened. He provided the following information:

On Monday, June 19, 1972, he received a call from his supervisor, Mr. MURPHY, informing him that Mr. ROCKFORD of General Services Administration (GSA) at the White House had arranged for Safe Master representatives to come to the Executive Office Building to open a safe. It is standard operating procedure for him to accompany these people and decide if the contents of the opened safe require storage.

At 7:30 p.m. that evening, Mr. ROCKFORD himself called to advise him that the Safe Master representatives were there. He met ROCKFORD and the two safe men, and they all proceeded to Room 522. He explained Room 522 is the storage room and the safe to be opened was stored there.

JOHN W. DEAN, III, Counsel to the President, advised he did not want Federal Bureau of Investigation Agents making any inquiries or investigations within the confines of the White House or the Executive Office Buildings with White House Staff without his knowledge or permission. Clearance for contacts should be made through his office by SA SAUNDERS.

DEAN further advised he would obtain the following and submit to SA SAUNDERS:

- (1) Identities of all persons who in any way had contact with the material in the office safe of HOWARD HUNT.
- (2) Toll records involving HUNT's office.
- (3) The availability of access lists and appointment clearance cards for HUNT and MC CORD.

As regards item one above, DEAN originally advised SA SAUNDERS (on June 25, 1972) that his assistant FRED FIELDING had searched HUNT's office and subsequently turned over to Federal Bureau of Investigation Agents all material from this search.

On June 27, 1972, SA SAUNDERS was informed by FIELDING that he did not gather this material. That in fact the material was obtained from HUNT's safe which was located on the fifth floor of the Executive Office Building.

Subsequent contact with DEAN verified the statement by FIELDING. DEAN advised the search operation was

handled by his (DEAN's) request. DEAN informed SA SAUNDERS the chain of evidence would be preserved as regards this material. SA SAUNDERS made it clear to DEAN that time was an important factor and to advise the Federal Bureau of Investigation of this information as soon as possible.

Item 2 - DEAN advised SA SAUNDERS that as it was explained to him there are no records maintained on toll calls made through the White House operator or if the person uses the WATTS line (by dialing 80). There should be records available on toll calls placed over White House lines if the person dials 9 for an outside line and then dials direct. Whatever records are available he will turn over to SA SAUNDERS.

Item 3 - DEAN advised he would not permit any outside agency to indiscriminately peruse the cards for clearance appointments to the White House and the Executive Office Building. Anyone allowed to examine these records would be able to determine the identity of visitors to all the offices. DEAN agreed to request from the Executive Protective Service (White House Police) a schedule of appointments to the office of HUNT and an examination of these records to determine if McCORD entered the premises of the White House. The period to be covered, April 1, 1972, to date.

DEAN advised he has no idea where HUNT is presently staying. He will immediately notify SA SAUNDERS if any information comes to his attention regarding the location of HUNT.

On July 3, 1972, CHARLES F. ROTCHFORD, Area Manager, White House Area, General Services Administration (GSA), advised SA GEORGE E. SAUNDERS he was unable to locate the movers who transported the safe and box of material from HUNT's office, Room 338, to Room 522. He stated he has several moving crews who do nothing but move office equipment from one office to another because of changes in staff personnel. Instant moving assignment involved one two-drawer safe and one box of office supplies. The movers would have moved this material in less than 15 minutes. ROTCHFORD believes this was such a minor job in the course of the day, that the movers evidently were unable to recall this move. ROTCHFORD questioned both the day and night moving crews with negative results.

Mrs. HUNT stated that in the Spring of 1972, her husband made two trips to Miami, Florida, and one trip to Los Angeles, California, for what she believed to be negotiations concerning the change of the Republican National Convention from San Diego, California, to Miami, Florida.

Mrs. HUNT stated that she last saw her husband on May 31, 1972, when she departed with her daughter for a vacation tour of Europe. Mrs. HUNT stated that she last spoke to her husband on June 21, 1972, by phone in London, England, and he advised her that there was a "problem" here in Washington and that he was going to go to New York, New York, to do television commercials. United States Government records, reviewed by SA KENNETH J. HASER on June 30, 1972, disclose that E. HOWARD HUNT was last issued Passport B-1811567 at Washington, D.C. (WDC), on July 21, 1971, for proposed business travel for one month to France, England and Belgium. In his application, dated July 21, 1971, he stated his intention to depart by air about September, 1971, and expected to take another trip abroad within two years. This passport was valid for five years' travel to all countries except Cuba, North Korea and North Vietnam.

Under passport regulations, this individual may use this passport for lawful travel within the period of its validity whenever and as often as desired without further notification to the Department of State or other Government agency. The Passport Office does not receive information as to whether or when a passport is used for foreign travel.

HUNT stated that he was born on October 9, 1918, at Hamburg, New York, and the file reflected that his birth certificate has been seen by passport authorities. He gave his permanent residence and mailing address as 11120 River Road, Potomac, Maryland, home telephone 299-7366, business telephone 293-2900. In the event of death or accident, he requested that DOROTHY LOUISE HUNT, his wife, be notified at the home address.

These records show that this individual as EVERETTE HOWARD HUNT, JR., was first issued Passport 638014 at WDC on June 22, 1939, for proposed pleasure travel for two months to England, Scotland, France, Iceland, Norway, Sweden, Denmark and Holland. He planned to depart from New York City on the "Oslofjord" on July 5, 1939. This passport was valid for two years. His permanent residence was then listed as 125 Lancaster Avenue, Buffalo, New York. His father served as his identifying witness. By letter received in the Passport Division on June 3, 1941, his father, on his stationery as an attorney at 163 Allen Street, South, Albany, New York, asked if his son's passport

51 ~~CONFIDENTIAL~~

should be sent in for change of address, noting that his son was then on duty with the Navy and residing at that Albany address. He was informed by letter dated June 7, 1941, that the passport should be sent in to Washington for retention under then existing rules. His father submitted same on June 14, 1941.

EVERETTE HOWARD HUNT, JR., was next issued Passport 13850 at New York City on February 20, 1943, to expire on August 20, 1943, not valid for travel in any country except Australia for newspaper work and necessary countries en route. This application dated February 10, 1943, at New York City was supported by a letter dated February 9 1943, from DANIEL LONGWELL, Executive Editor, "Life", stating that HUNT was a member of the staff of that magazine who was proceeding abroad with the Pacific fleet with eventual assignment with an Army unit somewhere in the Pacific. His draft board number 343 at Albany issued the appropriate permit. He gave his permanent residence at that time as 192 Euclid Avenue, Albany, New York. He stated that he had been in Iceland, Norway, Denmark, Sweden, Holland, France, England and Scotland from June to September, 1939. He listed his father as EVERETTE HOWARD HUNT, born at Hamburg, New York, in December, 1889, and his mother as ETHEL JEAN HUNT, born at Carnegie, Pennsylvania, in May, 1893.

By undated letter, HUNT requested renewal of his 1943 passport for proposed travel that year and next under a Guggenheim Memorial Foundation scholarship. On September 19, 1946, he was informed that the 1943 passport would be expiring on February 20, 1947, so he might like to apply for a new one. He wrote again on September 24, 1946, stating that he would seek a new passport and requested cancellation of and return of his earlier passports.

DAVID J. BRODSKY, 59 Castle Howard Court, Princeton, New Jersey, telephone 609-921-3480, was interviewed at his place of employment where he is Vice-President of Educational Testing Service, Rosedale Road, Princeton, New Jersey.

BRODSKY advised that he does not specifically recall having received a telephone call on March 6, 1972 from E. HOWARD HUNT or anyone from telephone 301-299-7366.

BRODSKY states that he only knows E. HOWARD HUNT as a writer in the Washington D. C. area, and a former student and friend of his (BRODSKY's) father-in-law, ISRAEL J. KAPSTEIN. KAPSTEIN is a retired Professor from Brown University and now resides in Providence, Rhode Island, telephone 401-751-6367. BRODSKY has not seen HUNT since approximately 1968 and has no information concerning HUNT's activities or associates.

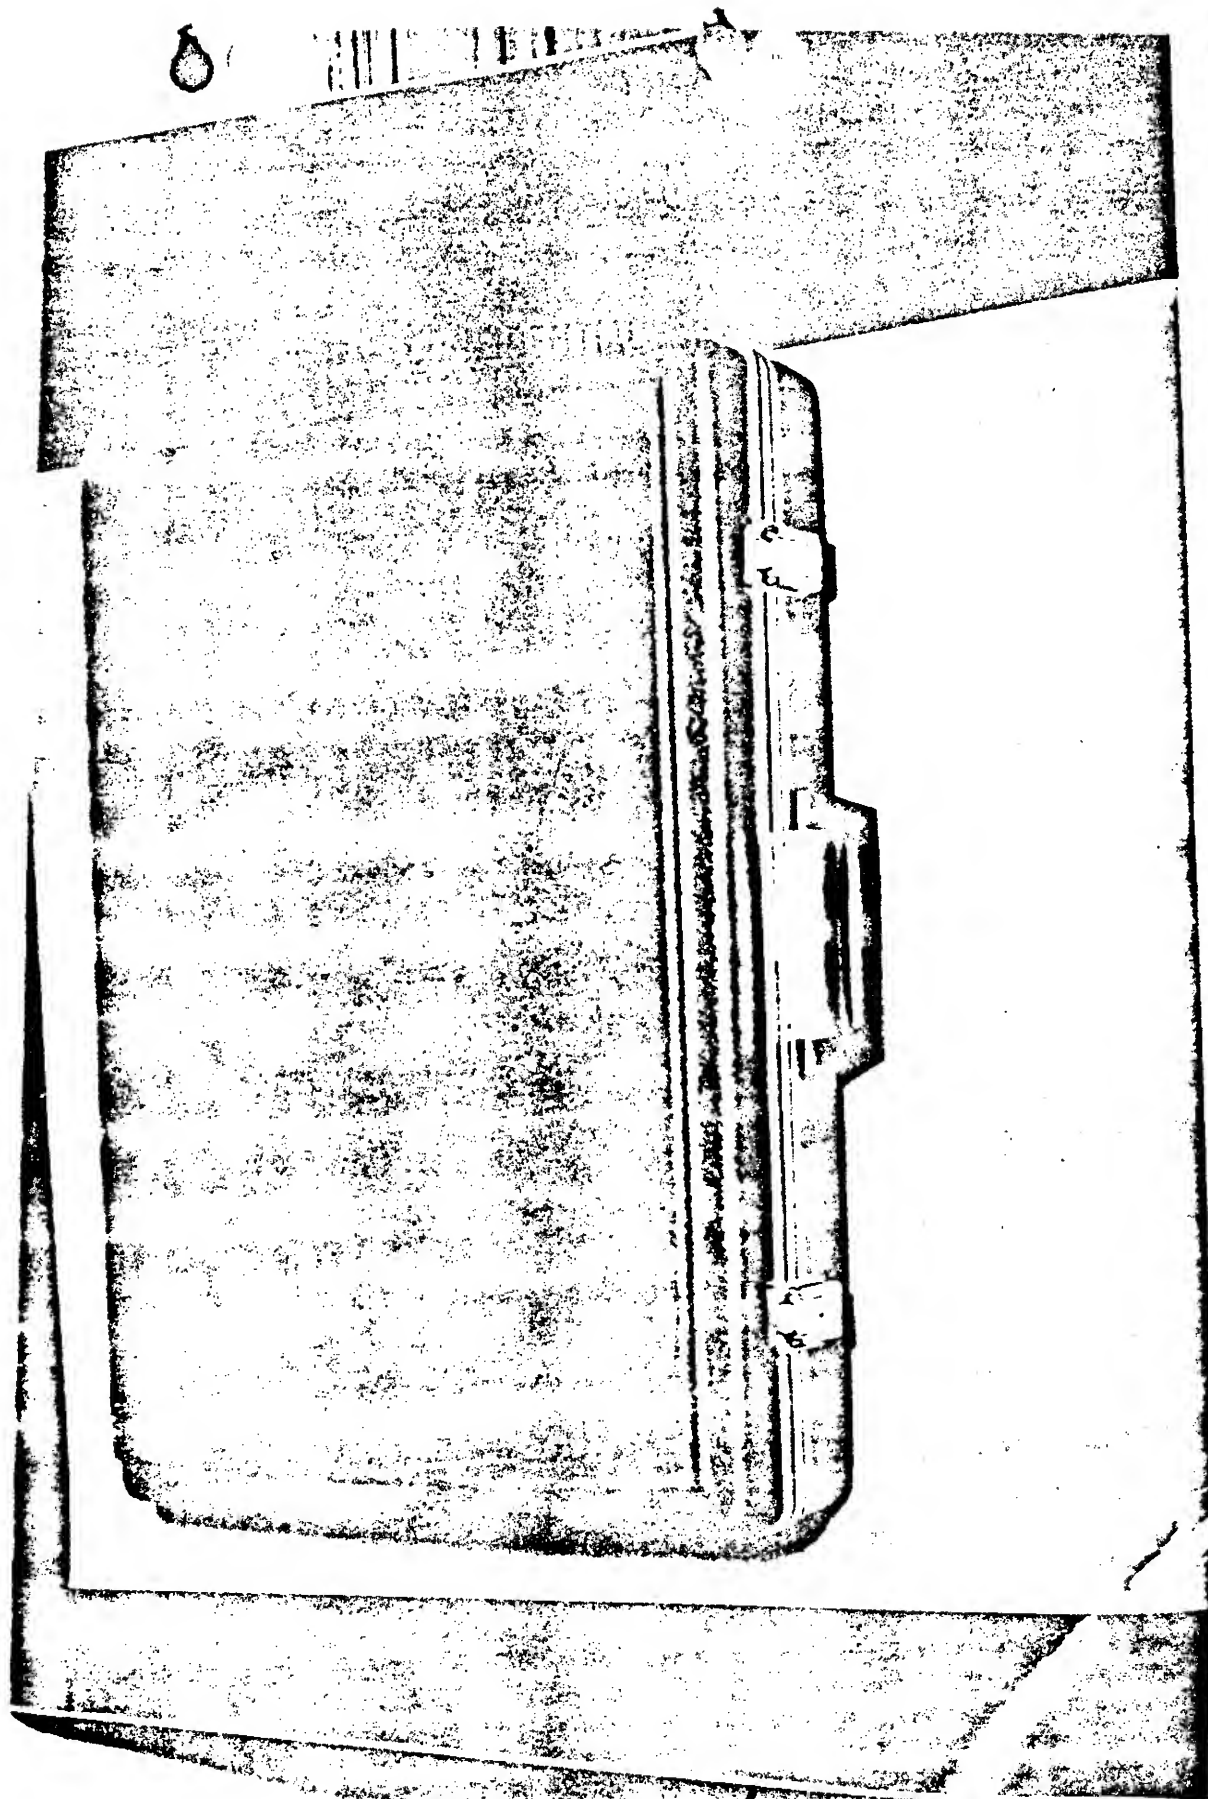

According to BRODSKY, Mr. and Mrs. KAPSTEIN was on a trip to Florida during approximately March 6, 1972 and he suggested the only logical explanation for a call from HUNT's telephone to the BRODSKY residence was perhaps that KAPSTEIN had been visiting with HUNT and they may have called from there.

Mr. ROBERT C. ODLE, JR., Director of Administration for the Committee to Re-Elect the President, located at 1701 Pennsylvania Avenue, N.W., furnished the following information:

Mr. ODLE stated that the Committee to Re-Elect the President had paid for the following items used for security and that these items had been ordered by Mr. JAMES W. MC CORD, their Security Officer. Closed circuit TV, cameras, cables and receivers, which are presently installed, alarms for doors and smoke detectors. Mr. ODLE advised that Mr. MC CORD had never charged the Committee for any radio equipment to date and the only other piece of security equipment they had billed for was what Mr. ODLE described as a machine for detecting out-going Radio Transmissions and he assumed that this machine would monitor any attempt to transmit clandestine radio signals or detect any bugging devices which might be placed in the office.

Mr. ODLE said that Mr. MC CORD had retained three security men which he himself brought in and that they were paid on a stipendiary basis once a month through MC CORD. When MC CORD traveled for the Committee, he was on an expense account basis and Mr. ODLE advised that he never submitted large claims in connection with his travel. Any expenses which MC CORD claimed were reported to the Controller General as per regulations governing such matters and that MC CORD always maintains a reasonable expense account. Mr. ODLE advised by reasonable he meant that MC CORD submitted expense account claims similar to \$1.50 to \$2.00 for breakfast, \$3.00 for lunch, \$10.00 for dinner and the normal charges for hotel rooms and accommodations.

GLENN IAL SEDAM, General Counsel, Committee to Re-elect the President (CRP), 1701 Pennsylvania Avenue, N.W., Washington, D. C. (WDC), furnished the following information to the interviewing agents in the presence of H. DONALD KISSLER, attorney for the Committee to Re-elect the President:

In approximately late November or early December of 1971, SEDAM asked one MONICO BUNGATO, a retired U. S. Navy Chief who was then employed at the White House, if he knew of anyone trustworthy SEDAM could hire to do some yard work around his home. BUNGATO stated he would look around for someone.

Sometime later (exact time period unrecalled) before Christmas, SEDAM was contacted by JAMES MC CORD, Security Chief of the Committee to Re-elect the President, who told him (SEDAM) that he (MC CORD) had just the person to work around his home. SEDAM had no idea how MC CORD learned of his need for someone to work adding BUNGATO said nothing to him (SEDAM) about mentioning the matter to MC CORD. However, MC CORD highly recommended to SEDAM an individual named JUAN RUIZ, whom he described as the most trustworthy, outstanding student in his class at Montgomery County Junior College. VH

MC CORD had suggested paying RUIZ \$3.50 an hour, but SEDAM stated this was too much and agreed to pay him \$2.50 or \$2.75 an hour.

SEDAM did not recall the exact date RUIZ started working around his house, but estimated it was the latter part of March. The weather was still cool enough for RUIZ to wear a jacket. RUIZ worked long enough to accumulate earnings of \$40.00, although SEDAM did not recall exactly

how many days RUIZ worked. The work was done on weekends and consisted of raking leaves and other yard type work. SEDAM's wife did not particularly care for RUIZ due to his apparent haughty attitude that yard work was beneath his dignity. SEDAM told his wife that people with foreign accents often appear overly proud. RUIZ called on several occasions saying he would not be able to come to work due to illness. He reportedly had a stomach ulcer.

RUIZ seemed very interested in discussing political issues and politics in general. SEDAM could specifically recall discussing the busing of minority children to school. These discussions generally took place in SEDAM's kitchen when, due to the cold weather, he asked RUIZ inside for hot chocolate. SEDAM could not recall RUIZ inquiring about anything relating to his (SEDAM's) job which would be of a secure or sensitive nature. RUIZ impressed SEDAM as an intelligent foreign student simply interested in the American political system.

To the best of SEDAM's recollections, RUIZ was never alone in any part of his (SEDAM's) home. He knew of no special ability RUIZ might have in electronics. SEDAM stated he supposed the possibility of RUIZ electronically "bugging" or tapping his phone existed. They sat near a phone in SEDAM's kitchen when engaged in conversation. The telephone lines to SEDAM's home are underground although they do emerge in an area of the yard where RUIZ worked. The SEDAMS were always home when RUIZ worked for them.

RUIZ's last day of employment was on April 15, 1972, when SEDAM wrote out his pay check for \$40.00. Upon RUIZ's request, SEDAM made this check payable to a DON HEATH, whom RUIZ stated he was living with in McLean, Virginia. SEDAM recalled HEATH as being employed at the U.S. State Department or the Agency for International Development (AID). However, SEDAM telephoned RUIZ on a couple of occasions and described speaking to someone, a male, who spoke with a "thick, Spanish accent." He was supposed to return but called approximately a week and a half later stating he would not be returning

due to the fact he was now employed full time by Mc Cord Associates. He had told SEDAM earlier he was working part-time in Mc Cord's office but never stated in what capacity.

SEDAM recalled RUIZ driving an older model, black Ford Falcon station wagon, which was often difficult to start. He could not remember exactly but recalled the license plate as being Virginia license.

MONICO BUNGATO, currently employed as a Messenger, Mail Service, Committee to Re-elect the President (CRP), 1701 Pennsylvania Avenue, N.W., Washington, D.C. (WDC), furnished the following information in the presence of H. DONALD KISSLER, Attorney for the CRP:

BUNGATO recalled GLENN JAY SEDAM, General Counsel, CRP, asking him if he knew of someone trustworthy to do some yard work. BUNGATO told SEDAM he would inquire in this matter.

BUNGATO asked two or three navy servicemen (names unrecalled) if they would be interested in part-time yard work and received a negative reply. He told SEDAM this approximately one week after SEDAM had first asked him about someone to do such work.

BUNGATO stated he did not mention this incident to JAMES MCCORD.

Mr. ROBERT L. HOUSTON, Security Coordinator for the Committee to Re-elect the President, located at 1701 Pennsylvania Avenue, N.W., furnished the following information.

Relay
Mr. HOUSTON advised that he has had 28 years of military service with the United States Army and recently retired. Upon retiring, Mr. HOUSTON submitted a resume to the Department of Defense Placement Bureau, and as a result of that resume was contacted by Mr. JAMES W. MC CORD. MC CORD contacted Mr. HOUSTON regarding employment in the security field and set up an interview with HOUSTON. Mr. MC CORD obtained HOUSTON's services for the Republican National Committee with the understanding that HOUSTON would then go to the staff of the Committee to Re-elect the President when it was formed. Mr. HOUSTON began employment with the Republican National Committee in January, 1972, and was then transferred to the Committee to Re-elect the President on February 11, 1972.

Mr. HOUSTON stated that he was in the military police while serving with the Army and that in this role, he received training in the security field.

His job at the Committee to Re-elect the President was Security Coordinator and Mr. MC CORD's job was Security Advisor. As Security Coordinator, Mr. HOUSTON was to issue pins for identification, keys, and passes. Mr. HOUSTON also handled administrative matters and worked directly with the staff as far as liaison was concerned.

Mr. HOUSTON advised that previously McCord Associates had two personnel assigned to the guard force who manned the post on the second floor. McCord Associates people were used for this job due to the fact that it consisted of a 12:00 midnight to 8:00 a.m. shift in an area where 24 hour security was needed and the posts were manned when secretarial personnel were not in the area. The McCord Associates security men were paid hourly wages and since then

Mr. HOUSTON advised that MC CORD seldom called him at home but when he did it was usually concerning the fact that MC CORD would not be available the following day or that MC CORD had jobs for him to do at the committee. Mr. HOUSTON recalled MC CORD calling him on April 16, 1972, and at that time, MC CORD advised him that there would be an anti-war demonstration in the area of 1701 Pennsylvania Avenue, N.W., and that he wanted HOUSTON to place a security man in the lobby so that the security of the offices could be insured in that the man could control access to the building.

When MC CORD came to the committee, he briefed the staff on security measures and held small demonstrations where he pointed out various areas that the staff should be aware of regarding office security.

Mr. ~~ROBERT A. ODLE~~, Personnel Administrator, Committee for the Re-Election of the President, 1701 Pennsylvania Avenue, N.W., was interviewed regarding payments made to ALFRED CARLSON BALDWIN III. Mr. ODLE was advised of the identities of PAUL P. MAGALLANES and JOSEPH C. KELLY as Special Agents of the Federal Bureau of Investigation (FBI) and was interviewed in the presence of attorney KENNETH WELLS PARKINSON, who identified himself as attorney for the Committee for the Re-Election of the President in a civil suit. Mr. PARKINSON advised he would be present throughout the entire interview and would take notes of same inasmuch as questions and answers given during the interview may be of value to him in defense of the civil suit against the Committee for the Re-Election of the President. Mr. PARKINSON further emphasized that all employees of the Committee for the Re-Election of the President would cooperate to the fullest extent with any law enforcement agency and stated he would not interfere with any of the questions and answers.

Mr. ODLE furnished the following information:

Mr. BALDWIN was hired by Mr. JAMES W. MC CORD, formerly Security Officer for the Committee for the Re-Election of the President, and that Mr. BALDWIN for a matter of weeks was employed by Mr. MC CORD to serve as a bodyguard for Mrs. MARINA MITCHELL, wife of former Attorney General JOHN N. MITCHELL. Mr. ODLE explained that inasmuch as Mr. and Mrs. MITCHELL no longer had FBI protection, upon Mr. MITCHELL assuming campaign duties to the Committee for the Re-Election of the President, it was deemed necessary by the Committee that both Mr. MITCHELL and Mrs. MITCHELL should be provided with bodyguards. Mr. ODLE stated that Mr. BALDWIN was one of several security men who were hired by Mr. MC CORD to serve as Mrs. MITCHELL's bodyguard. Mr. BALDWIN's services, however, were not satisfactory for Mrs. MITCHELL and he was subsequently relieved of his duties.

Mr. ODLE stated that Mr. BALDWIN was hired in April, 1972, and that the Committee for the Re-Election of the President, nor any of the other existing committees which were in effect prior to the public disclosure law, April 7, 1972, had not paid Mr. BALDWIN his salary for his services. Mr. BALDWIN's name does not appear in any payroll records of any committee.

Mr. ODLE stated that the ~~Dedicated Friends of~~ ~~Letter America Committee~~ may have had as its Chairman, ~~Mr. JAMES H. MC CORD~~. Mr. ODLE stated that he did not know whether Mr. MC CORD was the Chairman but stated that this committee had a balance of approximately \$37,000 prior to committee being made public at midnight April 6, 1972. Mr. ODLE stated it may have been possible for Mr. BALDWIN to have been paid from this committee, however, he stated that a thorough review of all records indicated that he was not.

According to the contract existing between Mr. JAMES H. MC CORD and the Committee for the Re-Election of the President, Mr. MC CORD would bill the committee for expenses incurred by Mr. MC CORD and for salaries paid by Mr. MC CORD for security men which he hired. Mr. ODLE was of the opinion that Mr. MC CORD had hired Mr. BALDWIN and that Mr. MC CORD had been slow in billing the committee for Mr. BALDWIN's services.

Mr. ODLE provided the interviewing agents with a copy of all disbursements made from the committee to JAMES MC CORD and to MC CORD Associates. These disbursements dated from November 15, 1971, through June 19, 1972.

Mr. ROBERT C. ODLE, JR., Director for Administration, Committee to Re-Elect the President, 1701 Pennsylvania Avenue, N.W., Washington, D. C. (WDC), advised that he has reviewed the records of the Committee to Re-Elect the President concerning the committee known as "Dedicated Friends of a Better America" whose chairman was JAMES W. MC CORD, JR.

Mr. ODLE explained that prior to April 6, 1971, when a new reporting law concerning campaign contributions went into effect, small committees such as Dedicated Friends of a Better America were formed to hold and solicit monies which would be used for RICHARD M. NIXON's campaign in 1972. Mr. ODLE stated that under the old law contributions could be made to these small committees and monies held by these small committees without reporting them under the old campaign contributions reporting law. Mr. ODLE stated that the new law, which went into effect on April 7, 1972, required that even the small committees report the monies that they hold and report all monies taken in by contributions and, therefore, the monies from these committees were consolidated into four accounts, which were opened by the committee for the Re-Election of the President. Mr. ODLE stated that the four accounts that were opened to consolidate the monies from the small committees were as follows:

The Radio Committee,
The Television Committee,
The Media Committee,
The Finance Committee.

Mr. ODLE stated that the committee headed by JAMES W. MC CORD, JR., which was known as Dedicated Friends of Better America held monies in the amount of \$81,797.34, and these monies were consolidated into the account of the Radio

Committee to Re-Elect the President at the National Savings and Trust Company, NYC, on April 6, 1972. Mr. ODLE noted that the initial deposit for the Radio Committee to Re-Elect the President from which the funds from the Dedicated Friends of a Better America was a part was \$850,014.90.

Mr. ODLE stated that a review of all the financial records of the Committee to Re-Elect the President had failed to reveal any payments of any kind were ever made to ANTHONY CARLTON BALDWIN III. Mr. ODLE stated that the Finance Committee of the Committee to Re-Elect the President has received no bill for Mr. BALDWIN's services, has never made any payment for Mr. BALDWIN's services and never reimbursed JAMES W. MC CORD, JR., for Mr. BALDWIN's services.

Mr. ODLE noted that Mr. BALDWIN in order to serve as a bodyguard for Mr. or Mrs. JOHN M. MITCHELL, would have to be interviewed and hired by JAMES W. MC CORD, JR. Mr. ODLE stated that he knows that Mr. MC CORD interviewed extensively for this position and that apparently Mr. BALDWIN made a trip as the bodyguard for Mrs. MITCHELL during April or May, 1972, on a trial basis to see if Mrs. MITCHELL would approve him as her personal bodyguard. Mr. ODLE stated that following the trip Mrs. MITCHELL stated that she was not happy with Mr. BALDWIN's services and he was not hired as a bodyguard on a full time basis.

Mr. ODLE stated that Mr. GEORGE GORDON LIDDY held the position of Counsel to the Finance Committee of the Committee to Re-Elect the President. Mr. ODLE stated that Mr. LIDDY's duties included advising the Finance Committee on all legal matters relating to the Finance Committee.

Mr. ODLE stated that neither JAMES W. MC CORD, JR., or GEORGE GORDON LIDDY were authorized to withdraw funds from any account of the Committee to Re-Elect the President. Mr. ODLE stated that only four persons are authorized to sign checks in the accounts of the Committee to Re-Elect the President and that two signatures of the four authorized signatures are required on each check. Mr. ODLE stated that the four persons are as follows:

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

MAURICE STANS, Chairman.

HUGH SLOAN, Treasurer.

PAUL BARRICK, Comptroller.

SALLY HARMONY, Secretary for the Finance Committee.

Mr. ODLE stated that GEORGE GORDON LIDBY was relieved of his position as Counsel to the Finance Committee of the Committee to Re-Elect the President following his refusal to answer questions put to him by the FBI Agents on June 28, 1972. Mr. ODLE explained that it is the policy of the Committee to Re-Elect the President that all persons employed by that Committee should be completely cooperative to inquiries made by police agencies and news agencies. Mr. ODLE stated that when Mr. LIDBY refused to answer questions put to him by the FBI, he violated the policies and was relieved of his duties.

Mr. ROBERT L. HOUSTON, Security Coordinator for the Committee to Re-Elect the President located at 1701 Pennsylvania Avenue, N.W., was displayed the following list of photographs:

SA JAMES F. BLAND, FBI Headquarters, Washington, D. C.
 Mr. GEORGE F. LEONARD
 SA JAMES D. HILL, FBI, Washington Field Office
 SA DOUGLAS J. TUCKER, FBI, Washington Field Office
 Mr. ALFRED CARLETON BALDWIN, III

 Mr. JAMES WALTER MC CORD, JR., MPD Number 261423
 Mr. EUGENIO R. MARTINEZ, MPD Number 261421
 Mr. FRANK ANTHONY STURGIS, MPD Number 261420

Mr. HOUSTON stated after viewing the above list of photographs that he recognized Mr. JAMES WALTER MC CORD as having been the former security man for the Committee to Re-Elect the President.

Mr. HOUSTON further advised that he recognized a photograph of ALFRED CARLETON BALDWIN, III. He stated that he had seen BALDWIN in the security office on the third floor of 1701 Pennsylvania Avenue, N.W., and that he knew him as "ALFRED C. BALDWIN." He said that BALDWIN was a security man for Mrs. MARTHA MITCHELL. To his knowledge BALDWIN was from New England, Maine or Connecticut.

He last saw BALDWIN in April, 1972, when he saw him three or four times and that BALDWIN had come to see Mr. JAMES MC CORD, he did not know the nature of BALDWIN's visits or his association with MC CORD.

Mr. HOUSTON commented that the photograph of BALDWIN must be very recent in that it closely resembles him at the present time.

BALDWIN had stopped in to see MC CORD during the first two weeks of April, 1972 (to the best of his recollection), and this was the first time he saw BALDWIN.

He knew that BALDWIN had accompanied Mrs. MITCHELL to Michigan and New York on an eight to nine day speaking tour. Mrs. MITCHELL had found BALDWIN to be unsuitable in that "he talked too much." Mr. HOUSTON said that on the aforementioned trip the train that Mrs. MITCHELL and BALDWIN were on, struck a man and that BALDWIN could see the man's remains out of the train window and he related a vivid description to Mrs. MITCHELL. After this trip BALDWIN was replaced by another security man for Mrs. MITCHELL.

Mr. HOUSTON furnished the following description of BALDWIN.

Sex:	Male
Race:	White
Height:	5 feet 10 inches
Weight:	180-190 pounds (has "small pot" belly)
Hair:	Brown (worn short)
Eyes:	Brown (he believes)
Former FBI Agent	

When BALDWIN worked for Mrs. MITCHELL he lived at the Roger Smith Hotel.

Mr. HOUSTON advised that he had received a call from the FBI one day regarding BALDWIN's attempt to get through a security line at the Capitol during recent demonstrations. He also knew that BALDWIN had been arrested by Armed Forces Police at Andrews Air Force Base on Armed Forces Day. Mr. HOUSTON said the arrest occurred as a result of BALDWIN's inquiry as to the whereabouts of a demonstration.

ROBERT HOUSTON, Security Supervisor, Committee for the Re-Election of the President, 1701 Pennsylvania Avenue, N.W., was interviewed in the presence of Attorney H. DONALD KISTLER and advised:

He presently resides with his family at 968 Fall Circle Way, Gaithersburg, Maryland, telephone 674-8829. He has been employed in his present position since February 11, 1972. Previous to this he was at the Republican National Headquarters in security, having obtained this job through the U. S. Defense Department (DDO) locator service. Mr. HOUSTON retired from the U. S. Army in 1971 after 28 years of service. He served with the Military Police during this period. Upon retirement, he filed a resume with the Defense Department locator service. He was contacted by someone at Republican National Headquarters, went for an interview, and was hired. Later he met Mr. JAMES MC CORD and was then shifted to the Committee for the Re-Election of the President to work for Mr. MC CORD.

Mr. HOUSTON viewed the following photographs:

JAMES W. MC CORD
BERNARD L. BARKER
EUGENIO R. MARTINEZ
DAVID R. YOUNG
ANGELO F. FIORINI

ALEXANDER BUTTERFIELD
VIRILIO CONALES
ALFRED C. BALDWIN
EVERETTE H. HUNT, JR.
CHARLES W. COLSON

He identified the photographs displayed of MC CORD, and of ALFRED C. BALDWIN as persons known to him.

He recalled meeting BALDWIN in the Security Office of the Committee for the Re-Election of the President when BALDWIN came for an interview with Mr. MC CORD, probably late April, 1972. BALDWIN was being interviewed as a security guard for Mrs. JOHN MITCHELL. He was evidently hired by Mr. MC CORD because BALDWIN went on a 3 or 4 day trip with Mrs. MITCHELL to Detroit, Michigan, then to New York. BALDWIN just did not work out in this assignment

because he talked too much so he was assigned to conduct surveillance work for MC CORD when there were area demonstrations. BALDWIN would attend these demonstrations and report to MC CORD if there was any possibility the demonstrators might come to the vicinity of 1701 Pennsylvania Avenue, N.W.

On 2 occasions he received telephone calls from law enforcement officers attempting to ascertain BALDWIN's association with the Committee for the Re-Election of the President.

One such call came from a person who identified himself as an FBI agent who called when there was a demonstration at the U. S. Capitol Building which BALDWIN attended.

The second call came from the Military Police, Andrews Air Force Base where BALDWIN had also gone to cover a demonstration.

Both times the caller was advised by HOUSTON BALDWIN was employed on the Security Staff of Mr. MC CORD who was in charge of the security of the Committee.

STEPHEN TINGLEY ANDERSON, home address of 9014 Piney Branch Road, Apartment 101, Silver Spring, Maryland, telephone 431-2446, was interviewed in the Security Office of the Committee for the Re-Election of President NIXON (The Committee), 1701 Pennsylvania Avenue. Present also was Attorney H. DONALD KISTLER.

Mr. ANDERSON was hired for a security guard position with the above Committee in mid April, 1972. He heard of the position from some friends at his former employment as Security Supervisor, Dart Drug Corporation who were also employed as security guards with this Committee. Mr. ANDERSON was with the Dart Drug Corporation for two years, four months, and prior to this was for three years in the U. S. Army Intelligence Corps.

He reviewed the following photographs:

JAMES W. MC CORD
BERNARD L. BARKER

VIRGILIO GONZALES
ALFRED C. BALDWIN

Mr. ANDERSON recognized the photographs of JAMES W. MC CORD as the Chief of Security at the Committee for the Re-Election of President NIXON.

Mr. ANDERSON held the photograph of EVERETTE HOWARD HUNT and stated he knew the face, but was unable to recall the place or the circumstances. He then requested to know Mr. HUNT's name. When advised the photograph he held was that of EVERETTE HOWARD HUNT, Mr. ANDERSON stated he knew Mr. HUNT.

Mr. ANDERSON continued:

ANDERSON determined his mother and father were not acquainted with Mr. MC CORD.

At 4:20 p.m., Mr. ANDERSON telephoned the Washington Field Office, Federal Bureau of Investigation and requested the below named Special Agents to recontact him. A meeting at 7:30 p.m., June 30, 1972, was arranged in the vicinity of 15th and G Streets, N.W., Washington, D. C..

Mr. ANDERSON arrived alone and advised he had some additional information he would like to furnish outside the presence of anyone else except the FBI.

He continued:

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

Mr. MC CORD left the Security Office of the Committee around 6:15-6:30 p.m., June 16, 1972. MC CORD stated to ANDERSON, who was on duty at the Committee, that he planned to be in town for several hours. MC CORD did not state where he would be, but took a beeper with him. MC CORD had hung around the office later than usual, then when PENNY GLEASON, another security staff member had departed for dinner, MC CORD instructed ANDERSON to take a key from the master box of keys for each desk, file cabinet and office on the second floor. This is the Finance Committee floor. MC CORD stated this Committee had some papers which they had been ordered to destroy and the desks and cabinets would have to be checked to verify this destruction. ANDERSON was to advise JACK ERNST, another security guard who would be on duty June 17, 1972, and have ERNST deliver these keys to HUGH SLOAN, June 17, 1972, when SLOAN requested them. ANDERSON assembled the keys, and placed them on top of a file cabinet with written instructions for ERNST.

At approximately 10:30 p.m., June 16, 1972, when ANDERSON returned from his security rounds, GLEASON, who was then at the switchboard/reception desk, advised him MC CORD had returned to pick up his raincoat. She stated MC CORD's jacket was stuffed. ANDERSON believes the beeper was turned in at this time, but is not sure.

After the event of the arrest of Mr. MC CORD at the Democratic National Committee (DNC) Office on June 17, 1972 became known, GLEASON advised ANDERSON as follows:

Around two p.m., June 17, 1972, she received a telephone call from Mrs. MC CORD who requested how Mrs. MC CORD could get in touch with an attorney named RAFFERTY (phonetic). GLEASON was unable to locate any contact telephone for such a person in the Committee phone directories and then called Mrs. MC CORD to advise her. It was either during this call or a later call placed by Mrs. MC CORD, that she asked GLEASON to please remove all of Mr. MC CORD's diplomas, awards, and presentations which decorated Mr. MC CORD's office at the Committee.

During the same afternoon, a man came to the Committee Office whom GLEASON believed was (First name unknown) BITTENBENDER (phonetic), an officer with the Metropolitan Police Department, Intelligence Division.

He asked GLEASON to telephone Mrs. MC CORD to advise her that Mr. MC CORD was okay and would be in touch with Mrs. MC CORD later.

ANDERSON then stated that he recalled that ~~ROBERT~~ ~~HOUSTON~~, Mr. MC CORD's Security Supervisor, was always at the Security Office on Saturday. However, on June 17, 1972, HOUSTON did not work, but he did work on Sunday, June 18, 1972. GLEASON advised ANDERSON she observed HOUSTON going through some file cabinets of MC CORD's and removing some papers. HOUSTON told GLEASON that he had to burn the papers. ANDERSON does know that the combination lock on this file drawer had been removed about two weeks before June 17, 1972, with the combination known only to MC CORD and HOUSTON. Previous to this, almost all the security staff knew how to unlock the file drawer.

ANDERSON believes HOUSTON also removed from the Security Office a battery charger and a Mason Kit which had been in the office on Friday, June 16, 1972.

On one subsequent occasion ANDERSON was in the Security Office while HOUSTON was going through a file cabinet. Another employee, an unrecalled Black truck driver that hangs out in the Security Office said, "Hey BOB, looks like you are on another burn mission." Laughter was the only comment.

On either the 19th or 20th of June, ANDERSON asked HOUSTON what had happened to all the equipment, but not mentioning any type equipment in particular. HOUSTON advised ANDERSON he had taken it out. HOUSTON offered no further explanation.

Miss ~~MILLICENT (PENNY) MACEY GLEASON~~, 513 Gilmoure Drive, Silver Spring, Maryland, telephone numbers 593-5459 and (unlisted number) 593-5551, telephonically contacted SA CHARLES W. HARVEY at the Washington Field Office of the Federal Bureau of Investigation (FBI) at 11:00 a.m., July 1, 1972. Miss GLEASON stated that she had conversed with STEVE ANDERSON, another security officer for the Committee for the Re-Election of the President, who had been interviewed by SAs HARVEY and HARVEY W. JAMES on June 30, 1972, and that her purpose in calling was to make arrangements for a confidential interview concerning the burglary of the Democratic National Committee (DNC) which occurred at the Watergate Hotel, Washington, D. C. (WDC), on June 17, 1972. Miss GLEASON noted that she had been contacted by SAs HARVEY and JAMES on June 30, 1972, at the Security Office of the Committee for the Re-Election of the President, 1701 Pennsylvania Avenue, N.W., WDC, but that she did not feel comfortable in furnishing information in the presence of the attorney whose presence was required when interviews were conducted on the premises of the aforementioned committee.

Miss GLEASON stated that she was calling from home and that she would drive to downtown WDC where she would again telephone SA HARVEY.

At approximately 12:50 p.m. on July 1, 1972, Miss GLEASON again telephoned SA HARVEY and stated she was calling from a pay telephone at the corner of 13th Street and Pennsylvania Avenue, N.W., WDC. She expressed concern that she might have been followed by unknown persons associated with the aforementioned committee and that she desired that the interview be held farther away from WDC.

SA HARVEY then met Miss GLEASON at the Drug Fair store located at 13th Street and Pennsylvania Avenue, N.W. and both then walked to the 1200 block of G Street, N.W., where they were picked up by SA PAUL P. MAGALLANES, in his personally

owned automobile and transported to the area of 8th and I Streets, N.W., WDC, where the interview began. After over two hours of interviewing, it became apparent that the volume of information being furnished by Miss GLEASON necessitated a more adequate environment and since she indicated that she did not desire to be seen at or near WFO, the remainder of the interview was conducted in Room 300 at the Holiday Inn located at 1900 Connecticut Avenue, N.W., WDC. This room was rented in the name of SA HARVEY.

From the beginning of the interview, Miss GLEASON emphasized that she would surely be fired from her position as Security Officer for the Committee for the Re-Election of the President, hereinafter referred to as the Committee, should her superiors learn of her contact with the FBI. Miss GLEASON stated that she would attempt to furnish all information in her possession which might have any bearing whatsoever on the investigation of the burglary at the DNC. In this regard, she had in her possession her own handwritten notes concerning suspicious conduct by various personnel associated with the Committee.

Miss GLEASON advised as follows:

She has been employed as a Security Officer by the Committee since Easter Monday, 1972. When she began her employment there, Mr. JAMES W. McCORD, Chief of Security for the Committee, informed her and other security officers that he and his group would not have anything to do with the Republican National Convention and that "other people" would handle that. However, as time passed, McCORD and his security officers became more and more involved in the security preparations for the convention until the entire situation was being controlled by McCORD.

Concerning the events immediately preceeding the arrest of McCORD on June 17, 1972, and the events thereafter, Miss GLEASON furnished the following information in chronological order: (It should be noted that her memory of details of certain events was refreshed by discussing some of the more noteworthy and pertinent events, thus the information furnished hereinafter is not necessarily in chronological order.)

On the night of June 16, 1972, she was in the third floor security office of the Committee attempting to straighten

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

things up. Sometime between 9:30 and 10:00 p.m., Mr. McCORD came in the office and jokingly remarked that he had dropped by to make sure they had plenty of work. McCORD's appearance was unusual in that his shirt sleeves were rolled up and he was not well dressed. He was usually dressed very well. McCORD stated that he had come by to pick up his raincoat. Upon leaving, he said words to the effect, "PENNY, I want to thank you for what you've done for our office." Her impression was that McCORD's remark sounded more like a "good-bye" than a "thank you". As he left, she noticed that his pockets were bulging with unknown items. She believed that McCORD returned a "Bellboy" telephone alerting device. She left the office and went home at approximately 10:15 p.m. on that date (June 16, 1972).

Previously, at approximately 4:00 p.m. on June 16, 1972, McCORD wanted to know who was going to work on which shift the next day and instructed security officer JACK ERNST to be on the second floor (the space occupied by the finance committee). McCORD also wanted security officer GEORGE SHANKS to work on the 3rd floor with her (GLEASON). The reason for this was that earlier in the evening of June 16, 1972, McCORD had instructed security officer STEVE ANDERSON to go through the keys for the second floor finance office of the Committee and obtain one key for each file cabinet and desk on that floor. ANDERSON was supposed to give these keys to HUGH SLOAN or GORDON LIDBY on the next morning (June 17, 1972) in order that he (SLOAN or LIDBY) could go through the desks and file cabinets to either locate some papers for destruction or insure that some papers had already been destroyed. Since ANDERSON would not be available on the morning of June 17, 1972, the task of getting the keys to SLOAN or LIDBY was given to the aforementioned ERNST. ANDERSON, however, did get the keys as instructed and left them for ERNST to pick up. In this regard, Miss GLEASON stated that she believes McCORD told ANDERSON to give the keys to LIDBY and that ANDERSON believes that he was to give the keys to SLOAN. In other words, it was not an "either or" situation, but ANDERSON was instructed to give the keys to one specific individual - SLOAN or LIDBY, which one not definitely known. She (Miss GLEASON) has no idea what papers were involved in this situation but, to her knowledge, the desks and file cabinets were not inspected on June 17, 1972.

~~CONFIDENTIAL~~

On June 17, 1972, Miss GLEASON arrived at work with JACK ERNST at approximately 7:00 a.m. Someone, identity not recalled, came in and said that the DNC had been burglarized. She attached no significance to this statement at this time but thought it strange that ~~GEORGE LINDY~~ and ~~POWELL MOORE~~, JOHN MITCHELL's press man, were running around the office together inasmuch as she had never observed them together before. At approximately 9:30 a.m. - 10:00 a.m. on the same date "JEB" MAGRUDER called from an unknown location and told one of the office girls to advise him concerning the UPI wire reports concerning the DNC break-in.

At approximately 11:00 a.m. - noon, on the same date (June 17, 1972), she received a telephone call from Mrs. McCORD who was on the verge of tears. Mrs. McCORD asked, "PENNY, do you know an attorney named RATLIFF?" Mrs. McCORD inquired about the name RATLISS, not RAFFERY. (Miss GLEASON noted that at this point she still did not connect the burglary of the DNC with Mrs. McCORD's call). When she informed Mrs. McCORD that the name was not familiar to her and that ROB ODLE was in the office, Mrs. McCORD stated that she wished to speak with ODLE. Thereupon, Miss GLEASON gave Mrs. McCORD ODLE's direct telephone number and Mrs. McCORD presumably called him.

She (GLEASON) then ran upstairs to the fourth floor to see what was wrong and ~~SYLVIA PANDARITES~~, ODLE's "secretary at that moment" said "everything's fine, go back downstairs". As she (GLEASON) was leaving ODLE's office, she heard ODLE instruct SYLVIA to get Assistant Attorney General SANTARELLI on the telephone. Miss GLEASON does not believe that ODLE is aware of the fact that she overheard this statement. She noted that SANTARELLI's wife, CONNIE, is employed by the Committee as head of personnel.

Miss GLEASON then went back to her office on the third floor and ODLE came running in shortly thereafter and stated to her, "I want you to stay until midnight because calls will be coming in on the West Coast incident." She was still unaware of McCORD's arrest at this time and had no idea what ODLE meant by "the West Coast incident". She then thought that possibly JOHN MITCHELL or his bodyguard, STEVE KING, had been injured on the West Coast. She then went upstairs and found MARTHA DUNCAN (office manager), ODLE and SYLVIA PANDARITES in "JEB" MAGRUDER's office.

~~CONFIDENTIAL~~

She was still unable to find out what had happened and went back to her third floor office. MARTHA DUNCAN then came downstairs to the security office and stated to Miss GLEASON, "Are you shocked? Are you disillusioned." Miss GLEASON was still unaware of McCORD's arrest but answered "yes", even though she (Miss GLEASON) did not know what DUNCAN was talking about.

By this time it was approximately 1:00 p.m. - 2:00 p.m. (June 17, 1972), and Miss GLEASON decided to contact JEAN COLEMAN, secretary to CLIFF MILLER who, according to Miss GLEASON, is one of the two men at the Committee who are close to the President. COLEMAN stated to Miss GLEASON, "PENNY one of the men in the break-in at the DNC was Mr. McCORD. If ROB ODLE found out I told you, he'd fire me."

On the same date (June 17, 1972), ODLE personally asked Miss GLEASON to get BOB HOUSTON (security supervisor under McCORD) on the telephone. ODLE also stated, "Does HOUSTON know?" Thereupon, Miss GLEASON replied in the negative. She then called HOUSTON and told him that ODLE wanted to talk to him. HOUSTON at that time asked Miss GLEASON "Did you call Mr. McCORD about the DNC break-in?" Since ODLE had instructed Miss GLEASON not to give out any information, she lied to HOUSTON and told him "yes" in response to his question.

During the afternoon hours on the same date (June 17, 1972), Miss GLEASON received a telephone call from a man who said he was a friend of Mr. McCORD's and was on the District of Columbia police force. This individual then indicated that he wanted to come over to the Committee. She then told the caller to wait while she checked. At that time, ODLE, LIDDY and POWELL MOORE were in conference. She interrupted the conference and asked LIDDY what she should do about the man on the telephone and LIDDY replied that he did not want the man to come over. Miss GLEASON then told ODLE about the caller and ODLE told her to pay no attention to LIDDY's orders and to have the caller come over. She then told ODLE that since he (ODLE) did not want anybody to know anything, she would tell security officer MIKE MASSE that he (ODLE) wanted him to check downstairs and that she would go to the lobby to meet the individual who had called.

~~CONFIDENTIAL~~

WFO 139-166

6

Thereupon, she went to the lobby and at approximately 4:00 p.m. (June 17, 1972), one GARY BITTENBENDER, an Intelligence Officer for the Metropolitan Police Department (MPD), arrived. At that time, she realized that on Wednesday (June 14, 1972), she had been introduced to BITTENBENDER by McCORD in the security office of the Committee. McCORD had introduced BITTENBENDER to her as "one of your classmates" from Montgomery County Junior College. Miss GLEASON thought this was a peculiar introduction since she was unable to recall ever having seen BITTENBENDER before.

Continuing with her recollection of BITTENBENDER's activities on the afternoon of June 17, 1972, Miss GLEASON advised that while she and BITTENBENDER were in the lobby, she observed GORDON LINDY leave the building. She called upstairs to inform ODLE that she was bringing BITTENBENDER upstairs, but ODLE was talking on another telephone.

She noted that she did not require BITTENBENDER to sign in or out on the register and that he was the so-called "mystery man" seen in the Committee.

Concerning the "mystery man", she believed that ODLE was well aware of the identity of this individual and sent the FBI on a chase to locate the individual in order to create busy work and tie up Agents from investigating more substantive aspects of the case.

BITTENBENDER told Miss GLEASON that he had coincidentally been in the MPD cellblock when McCORD was booked in and that he recognized McCORD. BITTENBENDER kept repeating, "It's a very interesting case." He also said, "Maybe things like this won't happen when political rights are given back to policemen."

When they arrived in the security office, BITTENBENDER asked Miss GLEASON for a mug shot that

116

he had previously given McCORD. Miss GLEASON had no knowledge of this mug shot and, consequently, to her knowledge, BITTENBENDER never retrieved same. ODLE then came down to the security office, told Miss GLEASON to leave, and thereafter talked with BITTENBENDER for approximately 15 minutes. She went to get a Coke and when she came back BITTENBENDER was gone.

Later, on June 17, 1972, she heard from an unrecalled individual that GORDON LIDDY had left his second floor office at 6:00 p.m. never to return.

Miss GLEASON also recalled that during the day of June 17, 1972, Mrs. McCORD called her again and requested that Mr. McCORD's personal pictures and plaques be removed from the walls of the security office. She (GLEASON) removed these items and placed same in a file cabinet. Among the items were a key to the White House to McCORD from the U. S. Secret Service and an award presentation photograph showing RICHARD HELMS presenting an award to McCORD. This photograph bore the notation "With deep appreciation, DICK HELMS." The word deep was underlined.

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

Miss GLEASON further advised that she departed the office at approximately 11:30 p.m. Saturday night, June 17, 1972, but that she was emotionally upset over the events of that day and was unable to sleep. At 2:00 a.m., June 18, 1972, she called the office inasmuch as she was concerned that the Students for a Democratic Society (SDS) had apparently tapped a recorded message into the telephone lines of the November Group, an advertising type agency for the Republican National Party, located in New York, New York. She called the office at that hour to determine if their lines had been similarly tapped and to find out what was happening. She spoke with ODLE and he was obviously quite drunk as were the other two people at the office at that time, MARTHA DUNCAN and SYLVIA PANNARITES. ODLE kept pleading with Miss GLEASON, "Penny don't leave us, we need you so much." She informed ODLE that she was not leaving and thereafter MARTHA DUNCAN got on the telephone and said, "We can't talk now, we're waiting for MITCHELL to call." Miss GLEASON stated that ODLE and DUNCAN will lie for each other to protect themselves.

Miss GLEASON recalled that since she was unable to sleep, she went to the Committee, arriving there at approximately 4:20 a.m., June 18, 1972. She learned later in the day from PANNARITES that ODLE, DUNCAN, and PANNARITES had left the office at approximately 4:00 a.m.

BOB HOUSTON arrived at the office at 8:00 a.m., Sunday, June 18, 1972. He told Miss GLEASON that he had read about MC CORD's arrest in the paper. HOUSTON immediately went to the file cabinet in the security office and began removing files. When Miss GLEASON asked HOUSTON what he was doing, he replied, "We're going to remove some of Mr. MC CORD's personal files." HOUSTON also removed some tapes and commented that his (HOUSTON's) voice was on some of them.

One file that was removed from the security office (possibly by HOUSTON, but Miss GLEASON did not observe this), concerned FBI teletypes. By memorandum, date not recalled but which was dated late May or early June, 1972, ROB ODLE advised "JEB" MAGRUDER that it would be nice if arrangements could be made for MC CORD to receive FBI daily teletypes like he (MC CORD) did when he was with CIA. In this same memo, ODLE asked MAGRUDER to talk to KLEINDIENST about the matter. This memo was labeled "Confidential-Sensitive."

Concerning the items removed from the security office by BOB HOUSTON on June 18, 1972, Miss GLEASON continued as follows:

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

HOUSTON proceeded to remove all of MC CORD's writings and he accomplished this without any direction as if the procedure were part of a prearranged plan. One of the tapes removed from the security office, presumably by HOUSTON, concerned SCOTT CAMILLE, head of the Vietnam Veterans Against the WAR (VVAW) and Cuban refugees. The content of this tape was, to her best recollection, as follows: "According to confidential sources they are teaching groups how to make home made bombs and are giving them firearms and artillery to use against the D.C. Police stationed in Miami." The same tape also contained information concerning the security arrangements at the Hotel Doral in Miami, Florida.

This tape had been brought back to WDC by MC CORD when he was on one of his trips to Miami. Miss GLEASON said MC CORD went to Miami on two occasions:

- 1) In approximately mid-May, when he checked out of the Hotel Doral for security arrangements.
- 2) Sometime during the approximate period of June 5-15, 1972. When MC CORD returned to WDC from this trip, he asked Miss GLEASON, "Penny, how would you like to go to Miami?" MC CORD apparently intended to send Miss GLEASON to Miami for the convention. On this same trip, MC CORD met with a Bell and Howell official in Miami concerning something to do with setting up radio communications for the convention. This trip lasted one or one and a half days. It was from this trip that MC CORD brought back to WDC the aforementioned tape concerning SCOTT CAMILLE and the Cuban refugees.

When MC CORD returned from the previously mentioned trip number one, Miss GLEASON typed a rough draft memo concerning security arrangements for the convention. CONNIE SANTARELLI typed the final paper and took same over to the White House during the latter part of May. This memo went into the details concerning an "audio counter sweep" since it had been determined that Senator MC GOVERN and the MITCHELLS would be staying in the same hotel. The memo covered other security matters such as identification cards. It also stated that two Committee security officers were supposed to go to the DNC as observers. Miss GLEASON stated that she believed that the above was

119 ~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

significant because all of the above-mentioned security arrangements had been taken care of prior to MC CORD's arrest. Along this same line, she recalled that MC CORD was making special arrangements with WDC Police Chief JERRY WILSON to obtain Special Police Officer (SPO) Commissions for all Committee security officers. These commissions would entitle them to carry firearms.

Concerning the other items missing from the security office and which were presumably taken by HOUSTON, Miss GLEASON advised that also missing was a handwritten memo from MC CORD to BILL TIMMONS, Assistant to the President. This memo covered security procedures for the Miami convention and dealt with such things as security officer, contracts, walkie-talkies, and security details in general.

Miss GLEASON also advised that she does not know what disposition HOUSTON made of any of the items he took out of the security office. She noted that the general assumption is that he burned the files but that she does not believe that this is necessarily so. HOUSTON only said he was taking the items "out of the office" and he allegedly took MC CORD's personal files to the office of Mc Cord Associates on June 18, 1972.

She recalled that around the first of June, 1972, HOUSTON told her that MC CORD wanted the combination lock changed on one of the file cabinets in the security office. It was assumed, she believes, by MC CORD and HOUSTON that she had no knowledge of the contents of this file cabinet. She stated that this was not the case, that she knew most of the contents of the cabinet in question, and that to her knowledge there was no mention of the DNC in the files.

On June 19, 1972, HOUSTON removed a desweeper kit from the security office and she noticed that a walkie-talkie type battery charger was also missing from the security office, presumably removed by HOUSTON.

Also, on June 19, 1972, HOUSTON made the statement, "We'll operate as normally as possible and all the people will be paid by RNC."

On June 21 or 22, 1972, HOUSTON told her that their office telephones had been tapped since June 19, 1972. She asked by whom, and he replied he did not know.

120 ~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

It was possibly on this same date that ODLE, POWELL MOORE, and HOUSTON came in the security office and asked Miss GLEASON and STEVE ANDERSON to "please leave." The aforementioned three individuals then went into the security office for a closed door conference.

When HOUSTON was interviewed by SA's DANIEL C. MAHAN and JOHN E. DENTON on approximately June 24, 1972, HOUSTON was "less than complete" with his information concerning tape recorders. She stated MC CORD had two new tape recorders but that an older, broken recorder was in the office but is now gone. The date and time this recorder was removed is unknown but it was there on the weekend of June 10-11, 1972. *DC*

On June 28, 1972, Miss GLEASON learned that GEORGE DUBROSKY, security officer for the RNC, told STEVE ANDERSON that MC CORD telephoned the RNC for JIM CAUDILL, Security Supervisor for the RNC. She has no knowledge of the text of the call and assumes it was made on the same date (June 28, 1972). MC CORD reportedly, through this call, left a message for the security people to "hang loose" and "be cool." *DC*
~~Re: Public Safety Committee~~

On June 30, 1972, HOUSTON told her that he had talked with MC CORD but that HOUSTON did not divulge what was discussed nor when he actually talked with MC CORD.

Also, on June 30, 1972, MAURINE DEVLIN, a receptionist for the finance committee on the second floor, told Miss GLEASON that FBI agents had displayed some photographs to her and that she had recognized the photograph of BERNARD BARKER as being identical with an individual who had previously been in the finance committee. It is unknown to Miss GLEASON whether DEVLIN admitted this fact to the FBI agents. *DC*
~~Committee to Re-elect the President~~

Miss GLEASON stated that she believes she observed some green or turquoise surgical gloves in a security office cabinet at one time but she was unable to recall when she observed this or the circumstances surrounding same.

On June 30, 1972, STEVE ANDERSON told her to advise the interviewing agents that on an unrecalled occasion he observed a small camera, brand name possibly Renault, in GORDON LIDDY's cabinet. At another unrecalled time, ANDERSON observed a handgun in LIDDY's cabinet.

~~CONFIDENTIAL~~

Miss GLEASON recalled that approximately one week prior to the burglary of the DNC, MC CORD had instructed security officers TOM WISE and STEVE ANDERSON in the operation of sweeping devices" in case the need arises and I'm not here."

Miss GLEASON stated that she has not been able to figure out any connection between MC CORD and the other four individuals who were arrested with him on June 17, 1972, at DNC. She noted that some of the other persons arrested with MC CORD were Cuban, that she has taken many telephone calls from MC CORD, and that she cannot recall ever having heard a caller with a Spanish accent.

On June 30, 1972, JUDY HOBACK, Secretary to MAURICE STANS, told Miss GLEASON that STANS had instructed her not to give any of their records to ROB ODLE because "something might happen to the records" before FBI agents got a chance to examine them. HOBACK is the bookkeeper for the Committee and her superior is HUGH SLOAN.

Miss GLEASON noted that she keeps a filing system for guest registers for the Committee and that a check of her files on June 30, 1972, disclosed that the registers for the days of June 17, 18, and 19, 1972, are missing. She noted the possibility that these may have been turned over to the FBI.

In thinking back concerning the weekend of June 17-18, 1972, Miss GLEASON thought it was peculiar that FRED LARUE, BART PORTER, the MITCHELLs, and possibly "JEB" MAGRUDER, all happened to be at a celebrity party in California on that weekend. Also, DEYAN L. SHUMAY, Director of Public Affairs, was fishing on Chesapeake Bay. She noted that some of these people are usually in WDC on any given weekend.

She noted that if MAGRUDER was in California on the weekend in question, then the above people who were in California on the pertinent weekend knew about the DNC break-in before the Committee people in WDC, because, as previously mentioned herein, MAGRUDER had called the Committee on June 17, 1972, concerning the UPI wire reports relating to the matter.

Miss GLEASON also stated that MC CORD always went where he wanted when he wanted and if they (security personnel) went to the White House and mentioned MC CORD's name, they could "get anything we wanted."

~~CONFIDENTIAL~~

On June 15, 1972, Mr. MC CORD instructed security officer TOM WISE to go to the Statler Hilton Hotel and buy some tear gas canisters. WISE returned with a box containing approximately thirty "Sheriff" tear gas canisters, black in color, and in plastic boxes. MC CORD pulled \$20 cash from his pocket and gave same to WISE for purchase of the canisters. During the week of June 26, 1972, Miss GLEASON looked in the box containing the aforementioned canisters and discovered that approximately seven or eight were missing. At the time when MC CORD told WISE to purchase the canisters, he (MC CORD) said that he wanted Miss GLEASON to have some of the canisters for her personal use. Miss GLEASON found this strange at that time inasmuch as she already had a "General MK-VII Chemical Baton Tear Gas Cartridge." She noted that the receipt reflecting WISE's purchase of the aforementioned "Sheriff" canisters is still somewhere in the security office and that there is no list of individuals who were issued the canisters.

On June 17, 1972, while Miss GLEASON was at the Committee, ~~MARTHA DUNCAN~~ told Miss GLEASON, "~~GORDON LIDDY~~ is going to be the one to fry." Miss GLEASON ~~stated~~ that she did not know what DUNCAN meant by this statement.

On June 19 or 20, 1972, BART PORTER's assistant, ~~ROGER STONE~~, called the Committee headquarters and asked of PORTER's whereabouts in California, stating that it was a matter of life and death that he, STONE, get a hold of him. Mr. STONE then called again and pleaded with Miss GLEASON for Mr. PORTER's number in California. Miss GLEASON then gave Mr. STONE two numbers where PORTER could be reached in Beverly Hills, California. PORTER then called and asked to be connected to Mr. FRED LARUE who was staying at Mr. MITCHELL's apartment because CLIFF MILLER had some important information that had to be passed on. PORTER did not say what the information was. Mr. STONE then called and asked if Miss GLEASON had been advised by Mr. PORTER of the information. Miss GLEASON replied in the negative and STONE stated "I can't discuss it."

On approximately Wednesday or Thursday, June 21 or 22, 1972, Mr. LARUE called and asked Miss GLEASON to get HUGH SLOAN. Miss GLEASON attempted to gain the whereabouts of Mr. SLOAN but was unsuccessful in her efforts.

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

On June 20, 1972, Miss GLEASON and MARTHA DUNCAN got together at the Roger Smith Hotel and over drinks discussed what had happened at the Committee headquarters. (At this point, Miss GLEASON stated that she, Miss GLEASON, and Miss DUNCAN do not particularly get along with each other as a matter of fact, are hostile toward each other. Therefore, she was surprised when Miss DUNCAN requested that they have a drink together.) While at the Roger Smith Hotel, Miss DUNCAN stated that the "higher echelon" told Miss DUNCAN to spy on Miss GLEASON. When Miss GLEASON asked why, Miss DUNCAN replied, "To see what you know." Miss DUNCAN then asked Miss GLEASON how well she knew Mr. MC CORD. (Here, Miss GLEASON stated that on the Saturday of the break-in, Mr. ODLE and Miss DUNCAN requested Miss GLEASON to go to Mr. MC CORD's house in order that Mrs. MC CORD would have someone with her. Apparently Mr. ODLE and Miss DUNCAN assumed that Miss GLEASON was a close personal friend of the MC CORD family. Miss GLEASON stated that she had no transportation and, therefore, she could not go to the MC CORD house by herself. Upon learning the latter, Mr. ODLE dropped the idea. Subsequent to this, Miss GLEASON learned that some close personal friend of Mrs. MC CORD stayed with her the Saturday of the break-in.) While at the Roger Smith Hotel, Miss DUNCAN asked Miss GLEASON, "Everybody has their price. Do you think Mr. MC CORD was paid off?" Miss DUNCAN further stated that "people upstairs" had told her not to talk about the incident and for her (DUNCAN) to spy on the security office.

On possibly the evening of June 19 or 20, 1972, about 9:00 p.m., Mr. ODLE told Miss GLEASON to keep the switchboard open. Later on, Miss GLEASON went back to the press section of the Committee headquarters to get a Coke and overheard Miss DUNCAN say "Is it in JACK ANDERSON's column?" Miss DUNCAN was talking with Mr. ODLE and with Mr. SCHUMWAY. The following day JACK ANDERSON's column contained an article covering LAWRENCE O'BRIEN's expense voucher. Miss GLEASON state that Mr. ODLE did not say why he wanted the switchboard open. After reading the following day's "Washington Post", ODLE then told everyone to go home.

On Wednesday, June 21, 1972, the previously mentioned ~~GARY RICHMOND~~ called and stated that "Everything's okay and that he's being taken care of."

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

Miss GLEASON heard noises on the telephone lines and assumed that the Committee telephones were being tapped. BITTENBENDER said he would be on vacation and would return on June 26, 1972.

On Thursday, June 22, 1972, Mr. ODLE's Assistant, ANDY LAWRENCE, called Miss GLEASON and asked her to go to Mr. ODLE's office. (Here, Miss GLEASON stated that while she was having a drink with Miss DUNCAN at the Roger Smith Hotel, Miss DUNCAN had told Miss GLEASON that a HOWARD HUNT was very big at the White House and that everyone knew him.) When Miss GLEASON arrived at Mr. ODLE's office, Mr. ODLE asked her whether she knew a Mr. HOWARD HUNT. Miss GLEASON replied in the negative and Mr. ODLE asked her "Are you sure?" and Miss GLEASON said that she was. Mr. ODLE then asked Miss GLEASON if she or anyone else in the security office knew what was going on.

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

Miss GLEASON was the only security officer from the security office of the Committee to be questioned by Mr. ODLE about the incident. Miss GLEASON indicated however that Mr. HOUSTON may have also been questioned but that she was not certain. On June 26, 1972, Miss GLEASON and the staff from the Committee were advised that Committee lawyers would be present at the offices. Sometime during the week of June 26, 1972, someone, identity unrecalled, advised Miss GLEASON, "Don't talk too much because one of the FBI Agents is unfriendly to us." On the date Miss GLEASON was advised of the presence of the attorneys, Mr. HOUSTON told everyone in the security office that no one could talk with anyone from the FBI without a Committee attorney being present. Therefore, Miss GLEASON believed, she could say nothing in front of the attorney when she was contacted on June 30, 1972.

On June 29, 1972, Miss GLEASON was instructed by Mr. ODLE to remove Mr. MC CORD's I.D. data sheet from the Committee records. The I.D. data sheet was described by Miss GLEASON as an 8 by 11 sheet of paper with Mr. MC CORD's personal data thereon after which Mr. MC CORD's picture was placed on a card issued to him by the Committee. This card identified him as a staff member.

On June 29, 1972, at approximately 9:00 p.m., Miss GLEASON was at the Committee when a special delivery package arrived for Mr. GORDON LIDDY. The return address bore the name of the Department of the Treasury, the Office of Law Enforcement, New York City, New York. Miss GLEASON signed for the package and was instructed by JUDY HOBACK to place the package in the mail room inasmuch as Mr. LIDDY had been dismissed.

Miss GLEASON described JUDY HOBACK as being deeply affected by all of the strange things that have been going on in the finance department of the Committee where Mrs. HOBACK is head bookkeeper and with the strange goings on in the Committee as a whole. Miss GLEASON further described HOBACK as a fine up-standing, honest woman who has much integrity and who is ready to burst because of the strange behavior at the Committee. Miss GLEASON will have a luncheon date with Mrs. HOBACK on July 3, 1972, which date was suggested by Mrs. HOBACK and Miss GLEASON is of the belief that Mrs. HOBACK will advise her of what has been going on at the Committee subsequent to the Democratic

~~CONFIDENTIAL~~

National Committee Headquarter's burglary. Miss GLEASON is further of the belief that Mrs. HOBACK should be interviewed by the FBI and will suggest to her that she do so without advising Mrs. HOBACK that she has already been interviewed by the FBI.

Sometime after the burglary, date unrecalled, Miss GLEASON was advised by Mr. SCHUMWAY, "Don't worry about MC CORD, he'll be alright. I know what most of the facts are and I'm not at liberty to discuss them. We should have known (laughter) from the Bay of Pigs invasion."

Immediately following the burglary at the DNC, the attitude at the Committee was that the FBI was going to "whitewash" the entire investigation. According to Miss GLEASON, this line of reasoning was based upon the fact that President NIXON appointed Mr. KLEINDIENST as Attorney General and Mr. GRAY as Acting Director of the FBI. Along this same line, MIKE WILSON, driver for Mr. MITCHELL, once commented, "There wouldn't be any problem if the FBI had gotten there (to the scene of the burglary) before the D.C. police. The FBI would have covered it up."

Miss GLEASON reiterated her opinion that Committee officials are sending FBI agents on fishing expeditions to keep them from getting to the truth. She also reiterated that ROB ODLE has not been entirely truthful with FBI agents who have interviewed him. She also said that persons associated with the Committee have discussed the fact that Attorney General KLEINDIENST and Mr. MITCHELL or Mr. GRAY (not certain which two) were at the same hotel in California immediately following the DNC burglary. She noted that these circumstances led some people to believe that the FBI would merely go through the formalities of an investigation while actually covering up the truth.

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

The attitude presently prevailing at Committee Headquarters is one of serious concern. The feeling now is that the FBI is getting closer. The attitude is now one of panic, especially on the part of Committee officials such as Mr. COLE. Some people, however, still are not completely convinced that the FBI is not merely covering up the investigation.

Miss GLEASON was exhibited the following black and white photographs and could identify none except the photograph of JAMES W. MC CORD:

FRANCIS XAVIER DOLAN, SR.

BERNARD BARKER

JAMES W. MC CORD

FRANK STURGIS

VIRGILIO MARTINEZ

EUGENIO GONZALES

Miss GLEASON was exhibited the following black and white photographs and could identify none except the photograph of GORDON LIDDY whom she described as being identical with the Mr. GORDON LIDDY who was dismissed by the Committee during the week of June 26, 1972:

On July 2, 1972, Miss GLEASON telephonically advised SA PAUL P. MAGALLANES of the following:

While being interviewed by SA MAGALLANES and HARVEY on July 1, 1972, she forgot to mention that while she was at the Roger Smith Hotel on June 20, 1972, with MARTHA DUNCAN, DUNCAN had advised Miss GLEASON that Mrs. MC CORD had told Mr. ODLE, "Well it looks your project has failed." MARTHA DUNCAN then stated to Miss GLEASON, "I wonder why she would say something like that?" DUNCAN described Mrs. MC CORD's tone of voice as being calm and relaxed. DUNCAN did not indicate to Miss GLEASON whether she, DUNCAN, had listened to Mrs. MC CORD on Mr. ODLE's telephone extension, or whether Mr. ODLE related to DUNCAN what Mrs. MC CORD had told him. Miss GLEASON thought that it was strange that DUNCAN described Mrs. MC CORD's tone of voice as being calm and relaxed since Miss GLEASON had talked with Mrs. MC CORD on the same date, June 17, 1972, on at least two occasions and Mrs. MC CORD was frantic, excited, frightened and very upset because her husband had been arrested. The above quote attributed to Mrs. MC CORD occurred on June 17, 1972, the same day of the burglary of the Democratic National Committee Headquarters.

Miss GLEASON was assured by SAs MAGALLANES and HARVEY that the FBI is not covering up the Democratic National Committee burglary investigation and that the FBI thoroughly investigates each and every case which comes to its attention. She was further advised that all Special Agents are thoroughly investigated prior to their appointments as Special Agents of the FBI and that there has not been one incident of the FBI "covering up" an investigation.

Mr. ROBERT LEE HOUSTON, Security Coordinator, Committee to Re-Elect the President (CRP), 1701 Pennsylvania Avenue, N.W., was contacted in his office (Room 372), where he was advised of the identities of the interviewing agents and the nature of the inquiry.

HOUSTON was advised by SA MEIDERMAN that it was his (HOUSTON's) prerogative to have an attorney present during the interview, at which time HOUSTON advised he did not feel that an attorney was necessary, but he was under orders by his superior, Mr. ROBERT ODLE, to have an attorney present at all interviews. For this reason, HOUSTON stated he felt an attorney should be present so as to comply with Mr. ODLE's wishes.

Present for the duration of the interview was H. DONALD KISTLER, Attorney for the firm of Jackson, Gray and Laskay, 1813 L Street, N.W., Washington, D.C. (WDC).

HOUSTON advised that he first met JAMES W. MC CORD in January of 1972, when MC CORD telephonically contacted him concerning possible employment with the Republican National Committee. MC CORD got his name through the Department of Defense Referral Service, as he had just retired after spending 28 years in the United States Army, as a Military Policeman.

He was subsequently hired by MC CORD, and began working in the aforementioned capacity in February, 1972. His duties entailed general security of the building at 1701 Pennsylvania Avenue, assignment of security guards and background checks regarding people employed by the CRP.

HOUSTON stated he traveled only on one occasion to New York City, New York, to deliver a package to an unrecalled office located at 225 Broadway. This trip was in early May,

1972, and this was the only instance he traveled outside of the Washington area on CRP business.

HOUSTON emphatically stated that he never worked for Mc Cord Associates, nor had anything to do with JAMES MC CORD, other than work related matters at CRP. In early May, 1972, HOUSTON spent five consecutive mornings in the offices of Mc Cord Associates, Rockville, Maryland, where an Industrial Security Seminar was taking place. He stated he could not recall who taught the course, but believed some of the speakers were from Montgomery College. Attending these sessions were six other people whose names he cannot recall, except for Miss PENNY GLEASON, who is on the security staff at the CRP.

HOUSTON stated he first learned of the break-in at the Democratic National Committee (DNC) and the arrest of MC CORD on June 18, 1972, at approximately 7:00 a.m. from Miss GLEASON when he came to work. At this point, HOUSTON reflected for a minute and stated "Well, Mr. ODLE called me Saturday afternoon and asked me if I heard about the break-in at DNC". He stated he told ODLE no, and that ODLE never mentioned MC CORD's arrest. HOUSTON stated he stayed at the office until about 3:00 p.m., when he went home. He was asked if he took anything from the office that day, at which time he replied "no".

HOUSTON then related that there was only one secure filing cabinet in the office and he (HOUSTON), was the only one who knew the combination. MC CORD did keep some files in the cabinet, but if he (MC CORD) wanted them, he had to ask HOUSTON for them. The files MC CORD had were mainly security background investigations, which MC CORD did himself on various people, but HOUSTON had no knowledge of their contents.

HOUSTON was again asked if he had removed any items from the office on June 18, 1972, at which time he advised that

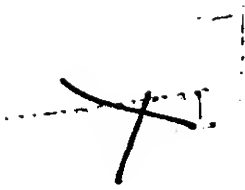

he did remove some cassette type tapes, a tape recorder and some personnel files, which he was working on at home. He further stated he also took a electronic sweeper, which was used to detect "bugs". He stated that all of the aforementioned items he returned to the office since JUNE 13th and that the tapes were blank when he removed them and they still are.

The only people HOUSTON knew from Mc Cord Associates were BILL SHEA and LOU RUSSELL, who worked at the Committee on a part-time basis. He does not know what their duties were or who paid them, except he felt sure they were not paid by the CRP.

HOUSTON stated that MC CORD usually transported any electrical equipment in a black vinyl suitcase. The suitcase contained special padding on the inside to protect the equipment and as far as he can recall no one else ever used the suitcase except MC CORD.

HOUSTON was asked if he knew an individual by the name of GARY BITTENDENDER. He stated he has heard the name, but knows absolutely nothing about him. MC CORD mentioned the name to him on several occasions and believes he may be a Metropolitan Police officer, but is not sure. HOUSTON advised he cannot recall what he and MC CORD were discussing when BITTENDENDER's name came up.

He has not seen or heard from either MC CORD or his wife since he was arrested and can think of nothing that may be of assistance in this investigation. HOUSTON stated that he did not want to be contacted again by the FBI concerning this matter at which point he requested the interview to be terminated.

~~JO ANN LA MERE~~, Secretary, White House Office, advised she first became acquainted with KATHLEEN CHENOW approximately two years ago when they worked together in the office of the late Senator PROCTER. Subsequent to this time they both obtained positions with the White House. Miss CHENOW entered on duty at the White House at approximately March, 1970, and was assigned to the office of JEFF DONFIELD. DONFIELD left the White House in the Fall of 1971 and CHENOW was assigned to the staff of DAVID YOUNG for whom she worked until she resigned on April 1, 1972. After Miss CHENOW's resignation, Miss LA MERE advised Miss CHENOW went to Milwaukee, her home, for a short period and then went on an extended trip to Europe. Her present address is in care of STEVE PARRIE, 774 Alcester Road South, Kings Heath, Birmingham 14 England. Miss LA MERE advised she has had no contact with Miss CHENOW since April, 1972.

LA MERE advised she shared an apartment with CHENOW for approximately a year and a half in Alexandria, Virginia. Miss CHENOW departed this apartment when she moved from the area in April, 1972. She advised that the apartment telephone number is 836-1040 and that they have had this number for the entire period she has resided in this apartment. The number 347-9355 is not familiar to LA MERE.

LA MERE advised she has been a close friend of Miss CHENOW. She does not recall Miss CHENOW ever receiving any strange phone calls or calls from individuals by the name of BARKER or MARTINEZ. Miss ~~KATHLEEN ANN CHOW~~ was interviewed at room 107 of the Executive Office Building, 17th and Pennsylvania Avenue, N.W., Washington, D.C. (WOC), in the presence of Mr. JOHN DEAN, Legal Counsel to RICHARD M. NIXON, President of the United States and Mr. FRED FIELDING, Mr. DEAN's chief assistant. At that time Miss CHOW furnished the following information:

She had been employed in a secretarial capacity to Mr. ~~EDWARD YOUNG~~ of room 16, the Executive Office Building, WOC from ~~1971~~ until sometime in March, 1972. During her employment in this capacity in October, 1971, Mr. YOUNG requested of her to have a private telephone line installed in a suite of offices located at room 16 so that Mr. ~~E. EDWARD HUNT~~ will be in a position to receive calls on that phone line. This phone was to be billed to Miss CHOW at her home address, 501 Slaters Lane, Alexandria, Virginia. Miss CHOW agreed that this phone was installed per the directions of Mr. YOUNG and that Miss CHOW brought the bills, approximately two, into the office and forwarded those bills to Mr. ~~JOHN DEAN~~, staff secretary to RICHARD M. NIXON, President of the United States.

Miss CHOW advised that this phone remained in the office of room 16 for approximately five months, and to the best of her recollection the phone was taken out in the middle of March, 1972. Miss CHOW advised that Mr. YOUNG's office consisted of four rooms; Mr. YOUNG's office, center office, conference room and a small reception area. The phone which he had installed and billed to her residence was an actual extension on two phones setting on actual desks in the center office and possibly a third extension went into the conference room. Miss CHOW stated that Mr. HUNT visited YOUNG's office on an average of approximately two times a week and that he did not maintain office space in room 16, but had an office on the third floor of the Executive Office

Building (EOB).

Miss CHENOW advised that she last saw Mr. HUNT in March, 1972, in the EOB. Miss CHENOW believed that Mr. HUNT was assisting Mr. YOUNG in the aftermath of the "Pentagon Papers." Miss CHENOW stated that she was also acquainted with Mr. G. ~~GOVERN LIDDY~~, in that he was the third party that assisted Mr. YOUNG and that he occupied an office in the same general location of YOUNG. The last time Miss CHENOW observed LIDDY was in February, 1972, when he appeared at Mr. YOUNG's office in order to pick up mail addressed to him. Miss CHENOW stated LIDDY left the employ of the White House in December, 1971, for employment with the Committee to Re-elect the President. Miss CHENOW advised that she did not know what duties either Mr. HUNT or Mr. LIDDY performed for the White House but that they had occupied staff positions. She advised that the phone installed for Mr. HUNT in room 16 was essentially a private line for Mr. HUNT and it acted as an answering service.

Miss CHENOW stated that at the present time she is not an employee of the U.S. Government and that in fact was on an extended visit of Europe, and returned to the United States per the request of Mr. DEAN.

DAVID REGINALD YOUNG, Special Staff Assistant, National Security Council, Room 16, Executive Office Building, was interviewed at the office of JOHN DEAN, Counsel to the President, and in the presence of Mr. DEAN and his Assistant, FRED FIELDING, and provided the following information:

In January, 1971, as a result of the disclosure of the 'Pentagon Papers', the need arose for someone to classify and declassify Government documents. At that time he was an Administrative Assistant to Dr. KISSINGER on the National Security Council and was selected for the job. His new position involved the classification and declassification of Government documents with particular emphasis on coordinating efforts of different Government agencies in locating the sources of unauthorized disclosures of confidential information commonly known as leaks in those agencies.

Hired as Assistants in this project were GEORGE GORDON LIDDY and EVERETTE HOWARD HUNT. LIDDY came to his office from the Department of the Treasury on the recommendation of WILLIAM KROGH at the White House in the Summer of 1971. LIDDY had been working with KROGH on the international drug problem and KROGH felt LIDDY's expertise in the international area along with his excellent legal reputation would be of assistance to YOUNG. While working with YOUNG, one of LIDDY's responsibilities was to maintain close liaison with the Justice Department in connection with the project. He was assigned an office and a secretary in connection with his duties.

HUNT came to his office in 1971 on the recommendation of CHARLES W. COLSON at the White House. COLSON's background and Central Intelligence contacts would be of great help on the project. HUNT was particularly valuable in evaluating cables from the pertinent

period to determine if the "Pentagon Papers" accurately represented the facts and circumstances at that time in history. Also the standards for classification of Government documents were being re-evaluated at that time. HUNT did [REDACTED] on an informal basis during this period while [REDACTED] with the Director, Mr. HELLS, and the Deputy Director, General WALTERS. (S)

While working on this project, HUNT asked him to have a telephone installed in the office which would not go through or be billed to the White House switchboard. HUNT explained at that time he needed a private line for operatives and CIA contacts to reach him directly without them knowing this phone was in the White House. Secondly, he needed a phone where messages could be received by a secretary which he did not have in his third floor office. It would be important for someone to take messages because he was in the office so seldom.

Mr. YOUNG told his secretary, KATHLEEN CHENOW, to set up such a phone, which she did. This phone was billed to an Alexandria, Virginia, location, but rang on Miss CHENOW's desk as well as on an unused desk set aside for an additional secretary. YOUNG advised he paid very little attention to this phone, never used it and considered it strictly a message phone for HUNT. HUNT was in the office twice a week at the most and sometimes not for several weeks at a time. As far as he was concerned, HUNT's former associates at CIA and individuals furnishing information in connection with the international drug problems were the only ones who knew to call him on this line.

In March, 1972, HUNT left his office when his part of the project came to an end. The whole project had been winding down for some time and HUNT's particular role was no longer necessary. He was aware HUNT was employed by the R. Mullen Company, a public relations firm, and he last saw HUNT last Christmas or early January or February of this year. When HUNT left he still had several classified documents in his

possession. These were documents he was working on at the time and presumably were left in HUNT's file safe or file drawer in HUNT's office on the third floor. However, he was not sure exactly where they were located. It did not surprise him that these documents were recently found in HUNT's file safe but he was not aware of the other contents in the safe as related in the newspaper.

In December, 1971, GEORGE GORDON LIDDY left after informing YOUNG he had been offered a position at the Committee to Re-Elect the President. His leaving was considered a promotion and he has seen LIDDY only once or twice just to say hello since LIDDY left to go to the Committee.

He did not know JAMES MC CORD nor did he recognize the names or photographs of the other individuals involved in the Democratic National Committee (DNC) burglary as appearing in the newspaper. He knew BOB ODLE at the Committee to Re-Elect the President mainly when ODLE worked for HERB KLEIN at the White House. Through KLEIN he also came to know JEB MAGRUDER, also at the Committee, and occasionally plays tennis with him.

When LIDDY and HUNT were working out of his office they worked with him rather than for him. He (YOUNG) had overall responsibility for the classification-declassification project and they furnished him the results of their investigation, but he did not exercise authority as such over them. They never provided any documents other than official reports, write-ups of oral conversations with individuals in various agencies.

There was no money available either to LIDDY, HUNT or himself to pay people for information of value in locating leaks. All information obtained was provided voluntarily by individuals interviewed and no means other than this was used to locate the persons responsible for the leaks. He had no idea how HUNT became involved with the individuals responsible for the burglary of the DNC and he had no idea where the money to finance such an operation may have come from.

WFO 139-166

A group of photographs of white males were exhibited to him, including those of EVERETTE HOWARD HUNT, CHARLES COLSON and ALEX BUTTERFIELD. he recognized photographs of these three individuals as fellow members of the White House staff. Another group of photographs of white males were exhibited to him, including the photographs of the five subjects, JAMES WALTER MC CORD, JR., BERNARD L. BARKER, VIRGILIO R. GONZALES, EUGENIO R. MARTINEZ and FRANK A. STURGIS. From this group he recognized the photograph of GEORGE GORDON LIDDY.

The following investigation was conducted on June 29, 1972, in Washington, D.C. (WDC), by Special Agents (SAs) JAMES W. HOFFMAN and JAMES R. PLEDOER:

Attempt was made to locate and interview the Resident Manager of the Hotel Congressional, 300 New Jersey Avenue, S.E., with negative results. Officer R. R. DOWELL, United States (U.S.) Capitol Police, Badge Number 596, presently assigned as a security guard for the Hotel Congressional, advised that the building had been closed as a hotel since April 25, 1972.

Officer DOWELL further stated that the hotel had been leased by the Knott Hotels Corporation, headquartered at 575 Madison Avenue, New York City, New York, until June 1, 1972. Until June 1, 1972, the general manager of the hotel had been ANDREW BACHIK who has since retired and moved to Cherry Hill, New Jersey.

DOWELL stated that the building is now a Federal building containing numerous offices, the National Capitol Democratic Club and the residences for numerous Congressmen. DOWELL stated that he did not have a list of occupants, however, such a list should be available at the architect's office in the Capitol building.

Mr. FREDERICK W. WINKELMANN, General Counsel, Office of the Architect of the Capitol, was interviewed regarding the occupants of the Hotel Congressional, 300 New Jersey Avenue, S.E., and provided the interviewing Agents with copies of three separate list of occupants dated March 10, 1972, April 17, 1972, and June 13, 1972. Copies of these lists are attached.

March 10, 1972

Record of Meeting in Mr. Winkelmann's Office, March 10, 1972, with
Representatives of Knott Hotels Corporation

Messrs. Winkelmann and Henlock, representing the Architect of the Capitol, met in Mr. Winkelmann's Office, March 10, 1972, with Messrs. Bowman and Bachik, representing the Knott Hotels Corporation and covered the following matters, generally, pertaining to the Congressional Hotel.

1. Messrs. Bowman and Bachik furnished a record of rooms in the Hotel occupied by Members of Congress, by a Member's widow, a Member's Administrative Assistant, a former Member of Congress, the Republican Congressional Committee, the National Republican Committee, the National Capital Democratic Club, and the Capitol Hill Club; also, the total number of rooms in existence on the 1st and 6th floors. The information, recorded, is appended hereto.
2. Mr. Bowman advised that the only sub-lease now in effect, which provides for a date of termination concurrent with the date of termination of the Knott Hotels Lease is their sub-lease with the American Railroads Association.
3. Mr. Bowman advised, further, that it is Knott Hotels intention to issue an immediate termination notice, requiring vacating of rooms on or before April 30, 1972, to all tenants excepting, upon specific request of the Government, Members of Congress, Mrs. Andrews (widow of the late Congressman Andrews), Mr. Rice (administrative assistant to Congressman Flood), former Congressman Auchincloss, the Republican Congressional Committee, the National Republican Committee, the National Capital Democratic Club, and the American Railroads Association. Knott Hotels proposes to issue a termination notice at this time to the Railroads Association, requiring them to vacate their quarters in the Hotel on or before May 31, 1972. (As the Capitol Hill Club are vacating their quarters on March 15, 1972, no notice to them is necessary).

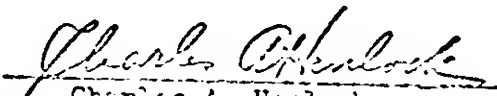

4. The Knott Hotels Corporation proposes to follow the foregoing procedure, provided they are officially notified at this time by the Architect of the Capitol, by letter, that it is the wish of the government that the Members of Congress, Mrs. Andrews, Mr. Elco, former Congressman Auchincloss, the Republican Congressional Committee, National Republican Committee, and National Capital Democratic Club be allowed to stay in the Hotel until May 31, 1972, and that the government, subject to statutory requirements, proposes to permit these parties to continue occupancy on and after June 1, 1972 under arrangements not involving the Knott Hotels Corporation.
5. Mr. Bowman advises that the Knott Hotels Corporation must require all tenants, other than those included in the exception, to vacate by April 30, 1972, in order to allow the Corporation a month thereafter to phase out their operation in an orderly manner and to dispose of furniture, furnishings, and other items belonging to the Corporation.
6. Mr. Bowman stated that if their proposal is agreed to, then it will be necessary for the government to agree with them on plans to retain telephone service (including switchboard and switchboard operators), security guards, maid-and-cleaning service, heat, light, power, and air conditioning, for those occupants allowed to remain in the Hotel until May 31, 1972, pursuant to request of the government.
7. Mr. Bowman, although recognizing that it is incumbent upon Knott Hotels to provide some limited amount of service during the month of May, indicated that the Corporation would like to discuss further the question of whether the government would be willing to agree upon a compensation for any such services furnished in excess of services they would normally provide if all tenants were required to vacate at the end of April, were it not for the government's request.
8. Mr. Bowman also confirmed that the National Capital Democratic Club is desirous of leasing the entire first floor of the Hotel after the Capitol Hill Club vacate their quarters:
